The Wings Of Wind, *Wind, Wind*

In true West Texas style, wind has been chosen as the 1977 Bronco theme. Whether it brings sun, rain, dust, or snow, the wind is constantly reminding H-SU of its presence. Students are brought to the campus by the four winds. It is these winds which have inspired this book. Let the Wings of Wind carry you through these pages.

Summer Suspense And Spirit

While a majority of students started school in the fall, there are always some who decide to attend summer school sessions. The summer highlights for those who stayed included three main events: the Bicentennial Fourth of July Sunday, a canoe trip on the San Marcos River, and Student Week at Glorieta Baptist Encampment in New Mexico.

A large group of students spent the Fourth of July in the typical manner with a visit to the zoo, an afternoon picnic, and watching the fireworks display at Shotwell Football Stadium.

The canoeists were the more daring bunch from the summer group. Braving a rain swollen San Marcos River, about thirty inexperienced canoeists quickly learned what to do or sank in the process. There were many lost articles and sunburns, but all agreed they would be willing to try a return trip.

Also H-SU had a successful student's week presenting the Theme Interpretation, "The Community of the Committed." Written by Marshall Walker the presentation included music and drama, backed up by a multi-media slide and film show. The week included Bible studies, ethical concern classes, and spiritual growth courses, along with a few side trips to Indian ruins, shopping in Sante Fe, and a picnic at Holy Ghost Canyon.

The Beginning Is Preview H-SU And Convocation

The fall campus life begins at Hardin Simmons with Preview H-SU. The only drudgery faced by the freshman at this time is the beanie! Except for that, the time is usually spent in meeting each other and learning about the campus and its events all before classes begin.

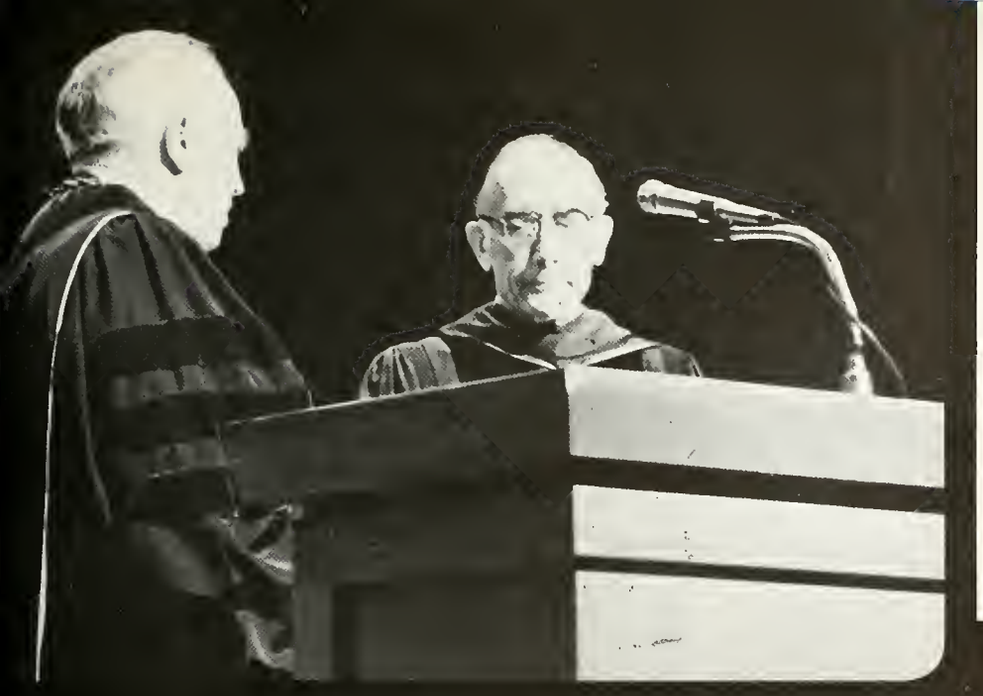

Another beginning is the annual fall convocation in Behrens-Chapel Auditorium. This year Dr. Lindell Harris, chairman of the Division of Religion, was the main speaker and was also awarded the special honor of being named Phillips Professor of Bible at H-SU.

Typical Freshmen

Bewilderment, tragedy and homesickness are a few of the infinite number of words that could define a typical freshman year. Regulations and restrictions seemed to keep popping up in the daily lives of the slimes. The most defiling was the freshman parking lot. Located between Lange Hall and the President's home, many freshmen found this to be quite a walking distance from civilization.

This year's Mr. and Miss Beanie award went to Pam Green, a freshman from Morgan Hill Cal., and Randy McMichael from Spring.

TOP: Carla Horton and Phil Briggs present the Mr. Beanie award to Randy McMichael.
RIGHT MIDDLE: Linda Littlejohn, Scott Bass and Kent Turner practice their freshmen tactics.

Picnic Revives Tradition

With the cancellation of the All-School Trip to the Texas State Fair, Student Congress decided to once again sponsor the All-School Picnic after a two year absence.

A long standing tradition, the picnic served as an end to wearing of beanies and "Slime" activities by the freshman class.

The picnic was held on the grounds of Kendrick Children's Home. Students who decided to spend the day at the picnic enjoyed volleyball, tennis, basketball, and roller skating along with other sports.

The majority of the students, faculty, and friends arrived when it was time for the barbeque supper to be served. The ranch-style meal included everything except homemade ice cream. Instead of homemade ice cream there was an assortment of popsicles and ice cream.

The only change in plans came when the weather threatened the scheduled square dance. After a slight delay, the square dance began in the gymnasium with Randy Phillips as the caller. There were a large number of students who had never square danced before, but after a few lessons they were into the swing of the music.

Dedication Of Richardson Library Adds To Homecoming Weekend

The highlight of an academic year at H-SU is the traditional Homecoming-Parent's Day festivities.

Overcrowded would be a good way to describe the campus as old friends reunited, board meetings were held and parents and alumni met.

One of the main attractions of the Homecoming weekend was the dedication of the Rupert and Pauline Richardson Library. This three-story building marked Phase One's successful completion of H-SU's Profile for Progress campaign.

Along with the library dedication there were many other activities such as the H-SU vs West Texas State soccer game, "All-School Sing" and the barbeque supper.

All School Sing

Planning, building, rehearsing, painting and still more rehearsing. That is what the All-School Sing is really about. Sponsored by Sigma Alpha Iota and Phi Mu Alpha, sinfonia fraternities, "Sing" is the leading attraction during Homecoming weekend at H-SU.

Phi Phi Phi, women's social club, received top honors, Sweepstakes Trophy and Women's Division Trophy. Their original entry was taken from the broadway musical, "A Chorus Line." Alpha Phi Omega won the Men's Division Trophy using selections from "George M." The Freshman Class won the Mixed Division Trophy with "It's Show Biz."

Other entires were Delta with "Clowning Around;" Tau Alpha Phi with the theme "Wonderful World of Disney" and the combination of Lange and Hunter Halls singing selections from "South Pacific."

Election 76

At a last moment's glance, first to the Carter curricular then back to the Ford handout, many students' decision at the polls seemed to be a random choice. This was not due to the lack of representation of the candidates locally. There were many students who took a very active part in the 1976 Presidential Elections.

Larry Holmes, Alice Simpson, Becky Barber and others aided those who could not decide on just one candidate.

The main objective in this year's Presidential election for the local Carter and Ford supporters was not only presenting each candidate's platform fairly but stressing the importance of exercising the right to vote.

LEFT: Larry Holmes, Debbie Pool and Gene Alexander support Carter through handouts and bumper stickers.
MIDDLE: Becky Barber and Larry Holmes having a friendly debate.
RIGHT: Penny Steadman, Billy Don Smith, Blake Allen, Alice Simpson and Brenda Fox are gathered around the Ford table.

Snow And Children Bring Winter Fun

There was snow in Abilene? A lot of people were asking this question after the first snow this year, but after the third it became a natural happening. Luckily for the students, the snow fell on weekends giving them an excuse to lay aside their homework and enjoy themselves.

Another activity during the cold Christmas season was Adopt-A-Child Day. This BSU sponsored event brought the anxious child and student parent together for an afternoon of fun. It began with a movie in Behrens Chapel then on to a puppet show in Hunter Hall lobby. The most enjoyable activity of the evening was the Christmas tree and to much of the children's surprise Santa appeared with presents and excitement for all.

Open House Breaks Monotony

The university has not consented to coed living on the campus but the students do enjoy the visiting hours in the various dorms. Open dorm is not a daily routine as experienced by some state universities. The time is usually once or twice a semester.

Dorm life, for both men and women, is a taste of freedom along with numerous responsibilities. For the freshmen it is a refreshing experience not to be told when, where or what to do. Also it can be a dreaded life of dust, dirty clothes and housekeeping.

No Dead Wetheads On Fifties Day

Slick hair, bobby socks and dark glasses were the "in" thing on "Fifties Day." Awards were given to the best gang, couple, guy and gal that did the best job of dressing for the event. The best gang award went to "The Hammers" consisting of Ashlee Edwards, Dirk Stricklin, David Downey, James Reeves, Jim Shelton, Bobby Greer, David Smith, Dave Miller and Ronnie Shaw. Eddie Piker and Bobby Greer received the award for the best dressed couple? The last two awards for the best guy and gal went to Ashlee Edwards and Deborah Presswood.

Students enjoyed the professional fifties band, "Johnny Dee and the Rocket 88's," who played during the supper meal and also a night concert that made the "Fifties Day" complete.

Founder's Day '77

A marble bust of the late Professor Marion McClure director of the Hardin-Simmons University Cowboy Band for 39 years, was presented to the university during H-SU's Founders Day activities.

The bust was a gift of two Army captains, Ken Barnes and Dan Brittain, both students of McClure's and former members of the band.

Mrs. Marion McClure was present at the ceremony and took part in the unveiling of the memorial to her husband and his work. McClure served as director of the H-SU band from 1934 until his death in 1973.

Another part of the day's activities was the presentation of medallions to Class of 1927 members by H-SU President Elwin L. Skiles. Eighteen members of the class were present. Their response was given by Mrs. Theis Jones of Abilene.

The 31st Annual Hardin-Simmons University Intercollegiate Rodeo was officially dedicated to Maj. D.T. Crockett, assistant professor of military science.

A special rodeo assembly was held in Behrens Chapel-Auditorium, in which the dedication was made. The assembly featured western music and a film on the history of rodeo, and Chesna Dickenson the 1977 Rodeo Sweetheart, was presented a bouquet of flowers.

The downtown rodeo parade was led by the H-SU Cowboy Band and Six White Houses, the parade traveled through downtown, ending at the Civic Center.

High Flight

There are always some who enjoy flying higher than others in life. The outstanding personalities of the university express themselves in different ways. A kite has been selected to represent these personalities because it is caught by the wind and taken to heights it could not have reached without its aid.

TOP RIGHT: Regina Bryan reigns as University Queen.
BOTTOM: Fred Ingerson, Darold Morgan, and Zollie Steakley were recognized as Distinguished Alumni.

University Queen . . .

Regina Bryan, senior elementary education major from Tulia, reigned as the 1976-77 H-SU University Queen. The petite brunette has been an active part of the student body for the last four years. As a freshman student, she was selected as a Best Dressed Coed Finalist. As a sophomore, she was voted class favorite. This year she was state-wide vice-president of the Texas Student Education Association (TSEA) and also vice-president of Student Foundation.

Always an active participant in campus activities, Regina also has been a part of Celebration Singers, the women's basketball team, Alpha Mu Gamma, national foreign language society, Sigma Delta Pi, national Spanish honor society, Geology Club, and the Freshman Class entry to the All-School Sing.

University Princesses

Karen Finley

Karen E. Finley, of Tulsa, Oklahoma, transferred to H-SU from Oral Roberts University in 1974. In the last two years, she has been active in Delta social club, Sigma Alpha Iota music fraternity, Concert Choir and has performed in many plays and operas. As a sophomore, she served as Kappa Phi Omega sweetheart. Karen is an applied music major.

Susan Berrey

Susan Berrey, from Ft. Worth, was a member of Student Foundation and a charter member of Epsilon Pi Alpha, women's service sorority. She also sang with Celebration Singers. Susan is a social work major.

University Princesses

Stephanie Walker

Stephanie Walker, of Merkel, majored in elementary education and minored in guidance association and special education. She has been active in several phases of campus life since coming to H-SU and was a member of the Guidance Associates Club and the Texas Student Education Association. Prior to attending Hardin-Simmons, she was a student at Texas Tech University in 1973.

Kay Holmes

Kay Holmes, from Gallup, New Mexico, is a sociology major and a psychology minor who has served the school as a member of Student Congress and as Junior Class Secretary. She was a member of Alpha Mu Gamma, national foreign language honor society; Pi Gamma Mu, national social science fraternity; and Eata Bita Pi social club, which she was co-president of in her senior year.

Mr. Bronco — Jim Webster

Mr. and Miss Bronco were selected this year according to criteria determined by the staff. The qualifications included good academic standing, amount of campus involvement, personality, popularity, devotion to H-SU and versatility in involvement. The staff decided to limit the honor to single members of the senior class.

The selection of Mr. and Miss Bronco is part of the staff's program to rekindle interest in the yearbook. Mr. Bronco was selected, in addition to Miss Bronco, because the staff felt that the H-SU male student was not being recognized for his contributions.

Jim Webster, a 22-year-old geology major from Abilene, was selected as

Miss Bronco — Susan Parker

Mr. Bronco. He served as Student Congress President and was a member of the Geology Club, Alpha Phi Omega, men's service fraternity, and MCPC.

Miss Bronco was Susan Parker, a 21-year-old English major from Abilene. She transferred from Baylor, where she was active in the BSU and appeared on the Dean's List. Since coming to H-SU, she has become an active member of Student Foundation, and served as business manager for the Brand. She was a member of Alpha Chi, national scholarship society and Sigma Tau Delta English honor society.

The Bronco Staff was honored to have two such fine representatives for this yearbook.

Hughes Selected For Poise, Style and Grace

Colleen Hughes, senior applied voice and music education major from Garland, was named H-SU's Best Dressed Co-ed for 1976-77. She was selected by a four person panel of judges after she and four other coeds had been previously chosen as finalists by the student body.

Colleen was sponsored by Phi Mu Alpha Sinforia.

The other contest finalists and their sponsors were Jo Cox, Epsilon Pi Alpha; Sarelda Cox, Freshman Class; Cheryl Johnson, Phi Phi Phi; and Patricia Mahood, Sophomore Class.

Johnson Receives Keeter Award

Award is the highest honor the Alumni Association can bestow upon an alumnus or ex-student. The award was presented to Mr. J. E. Johnson of Temple for his abiding willingness to aid his alma mater, and because of his special service this past year.

Alumni Receive Honor

Hardin-Simmons University honored three outstanding men in its seventh annual Distinguished Alumni Awards on February 3.

The three were Judge Zollie C. Steakley, an associate justice of the Texas Supreme Court, Dr. Darold H. Morgan, president of the Southern Baptist Annuity Board, and Fred E. Ingerson, professor of geology at the University of Texas in Austin.

This award is given to a maximum of three each year to "individuals whose personal and professional accomplishments are exemplary of the ideals and aims of the University and thus bring honor to Hardin-Simmons University."

Who's Who AMONG STUDENTS IN American Universities & Colleges

Thirty-three seniors and one junior were selected to Who's Who Among Students in American Universities and Colleges last fall on the basis of academic standing, service to the community, leadership in extracurricular activities and future potential.

Nominations are submitted annually after selection by campus nomination committees composed of representatives of the administration, faculty and student body.

Dickenson Rides With Pride

Chesna Dickenson, a junior guidance association major, was elected as the 1977 Rodeo Sweetheart. Chesna is from Olton and has riden with the Six White Horses for the past two years. While it did not affect her mount, Apache, in any way, Chesna proudly accepted the honor that the students gave her. With her election, it made it the third year in a row that the Rodeo Sweetheart was in some way connected with the Six White Horses.

Tail Wind

There was constant guidance given to students from the administration, faculty, and staff. Just as there are four points on a weather vane, the guidance received from university staff sent students out into every area of the world to put into practice the knowledge they received.

BELOW RIGHT: University friends witness the dedication of the Brand Swimming facilities. BOTTOM: Dr. Skiles and Dr. Jennings admire a valuable geode.

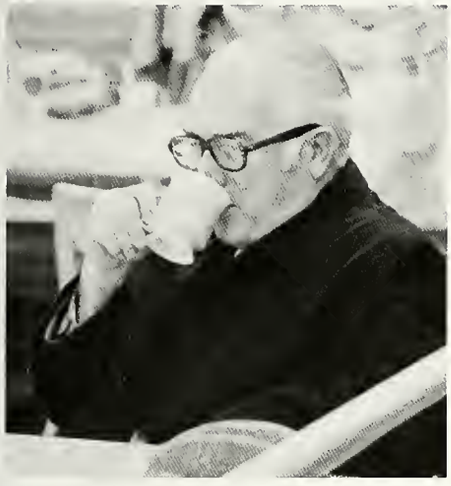

From President To Chancellor

Dr. Elwin Skiles had many decisions to make as the president, but by far the biggest decision came when he announced his retirement effective on his birthday in June.

This did not mean that Dr. Skiles was ending his relationship with the university since the trustees named him the first chancellor in the history of the school.

Dr. Skiles often said that he was retiring from the duties of President to give his full attention to the areas of meeting people and raising money for the university.

The year was filled with travel. Many times Dr. Skiles was away from the campus for extended periods of time. He said that he missed the student contact, but because of his travels the university received more financial support.

OPPOSITE PAGE: Dr. Skiles catches up in paper work. TOP LEFT: It's coffee break time. LEFT: He's not hiding behind Foster Grants, but supporting the Pokes. ABOVE: Dedication has no bounds.

Complete Business Education Offered

DR. WALTER AUSTIN
Johnson Prof. in Business; Chairman of Div.

A complete education was offered to business majors this year. Dr. Walter Austin said that the basics had been completed and that specific areas would now be improved in the division.

The students found an increased participation with the small business institute by the professors. The division also began the Association of Business Students and formed a Business Advisory Council composed of leading businessmen. The purpose of the council was to advise faculty on curriculum, provide guest speakers, provide potential placement, and offer student-businessman contact.

It was the first year that a real estate program was instituted. Ed Compere, national director of appraisal institute, was program director.

In addition to this, the second half of a $300,000 unnamed endowment check was received and a Doctorate in Computer was hired to teach during the 1977-78 school year.

Workshops Fill Year

The education department proudly boasted of a new study program. The department added Generics Special Education as an undergraduate major teaching field at the secondary education level.

Many of the professors also held a variety of workshops throughout the school year for students and area teachers.

One of the annual workshops dealt with education of kindergarten age children. Children from the community are brought to the campus for the benefit of helping teachers learn how to instruct these children.

The department sponsored Texas Student Education Association and Guidance Associates.

Humanities Is Active Area

The Division of Humanities included the areas of Graduate Studies and Journalism. Both areas had some changes during the year.

The majority of the changes in the department of graduate studies were for the betterment of the department. This was the first year that graduate assistants were included in the budget.

The journalism department had an addition with Randy Armstrong as a new professor. The department also added the Press Club to its ranks.

One subtraction was made when Sherwyn McNair left the department to join the West Texas Utilities board.

PRESS CLUB: Abby Dominguez, Sal Mineo, Randy Gressett, Kathy Thomas, Marv Knox, Darla Bushell, Susan Parker, Ronnie Howell, Greg Jaklewicz, Karen J. Finley, Pam Oliver, Randy Armstrong.

PE Gets New Additions

The P.E. department saw several of their long range goals completed. They were the Brand Swimming Complex and the Marston Gym Complex completions. The spring semester students enjoyed the swimming pool. Others enjoyed the gym facilities. Then came the wrecking of Rose Field House. It will take approximately two years for the completion of the new field house/ athletic complex.

As a result of the Field House wrecking, the Athletic offices were moved to various places across the campus. The majority of the offices were housed in Mary Frances Hall.

Languages Flow Freely

Improvements and achievements were seen in the Foreign Language Department with the installation of a new Sony language laboratory and the finalization of the Tri-College Consortium in Foreign Languages with ACU and McMurry.

Professor James Alvis completed his doctoral work at the University of Oklahoma after successfully defending his dissertation "Traicion en las obras de Ana Maria Matute." Mrs. Donna Garrett began serving as a part-time German instructor with H-SU and ACU.

The department participated in a two week trip to Mexico, in May, with students from the Sociology department.

Along with all these achievements and honors the department is making preparations for hosting the annual Texas Foreign Language Association Conference to be held here in the fall.

Brushes And Clay At Work

The Bachelor of Fine Arts degree was proposed this spring by the department. The degree was then adopted by the H-SU faculty and accepted by the Christian Education Coordinating Board of the Baptist General Convention of Texas.

"This is a professional art degree and one of only four in the 39 senior Southern Baptist schools. Everyone in the department is excited about this because we believe it will allow us to attract and retain at H-SU, quality art students," said Ira Taylor.

Program Advances Forward

The speech department furthered their program by hosting Dr. Lee Williams as a guest lecturer. He lectured on "Human vs. Animal Communications" and presented the film "Washo" on chimpanzee communication.

Guest actress Mary Arden of New York City conducted a workshop in theatre and performed the lead role in "The Madwoman of Chaillot."

Students participated in activities of the Speech Honor Society, Alpha Psi Omega, and Pi Kappa Delta. They hosted an annual high school speech tourney and attended festival workshops at universities across the state.

Research To Increase

Plans were made as the year progressed to expand the research program by adding a new Science Research building.

The year also saw the reinstatement of the Respiratory Technology program with Hendrick Hospital providing the certification necessary.

In addition to this, the NASA research provided by H-SU was used in the Mars expedition sterilization process.

Both Dr. Foster and Dr. Newman were honored for ten years of service to the university.

Trips Beckon Geologists

Dr. Delbert Gann joined the geology faculty in September to replace Dr. Earl Harrison who resigned to devote full attention to his independent geologist business. Dr. Ray Jennings was promoted to head of the department.

Strong emphasis on field trips continued with trips to Palo Duro Canyon, Hot Springs, Arkansas area, Wichita Mountains, Oklahoma, and several local trips being taken. Students looked for minerals and checked the tide waters on the Gulf Coast.

The Geology Club was very active in sponsoring guest lectures and an exhibit at the Regional meeting of the American Association of Petroleum Geologists in Abilene in March.

Lab Work Continues

The chemistry and physics department kept the atoms in motion by continuing research and teaching through research.

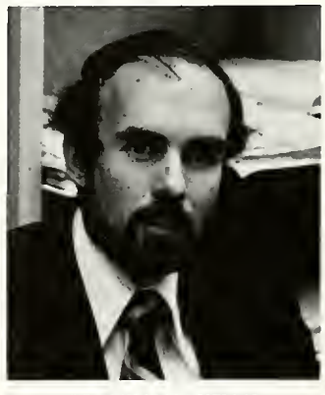

Students were able to take advantage of gaining experience through laboratory work. They spent many evenings working late in Sid Richardson to finish lab work.

In addition to this, the department was active in supplying guest science lecturers for H-SU and Abilene.

They provided lectures on topics of concern to the United States and state departments.

Richardson Library Is Dedicated

Another phase of Dr. Skiles' Profiles For Progress became a realization for the university with the formal opening of the new Rupert and Pauline Richardson Library.

The dedication was made during the fall Homecoming activities. The main dedication speech was made by U.S. Congressman George Mahon. Dr. Richardson extended his appreciation for the honor. He was presented with a gold key to the building.

On Founder's Day, the Hoyt Ford Reading Lounge was dedicated.

The library also received major gifts of books. Miss Louise Kelly gave numerous books on Texas History. Clifton Caldwell gave a collection of books on examples of fine printing. Mrs. Gordon Clinard donated the late Dr. Clinard's religious books. Mrs. Lawrence Fitzgerald also gave her husband's religious books.

DR. CALVIN TURPIN
Dir. University Libraries

A large group of visitors attended the dedication of the Rupert and Pauline Richardson Library. An open house followed the dedication with guided tours being provided by the library staff.

Tornado Watch

It was an unpredictable year for sports at H-SU. For some teams, it was the best season ever, and for others it was the worst. Each team was as predictable as a tornado. Each team twisted and turned at its own pace. Some advancing to state tournaments, others winning powerful teams, and others faltering into the hopes for next year.

Rebuilding Year Takes Its Toll

The 1976-77 Men's Basketball Team - SEATED LEFT - Coach Preston Vice, Elisha Watson, Odis Malone, Steven Cooks, Danny Thomas, Larry Martin, SEATED CENTER - Johnny Harris, Jerry Williams, Dale Pond, Charles Anderson, Manager Mike Lindsey, Manager Mike Price, STANDING - Grady Marshall, David Wood, Robin Baker, and Assistant Coach Donnie Wood.

It was a long hard year for Coach Preston Vice and his Cowboy squad. No matter how hard they tried, their record did not fall in the victory column.

They suffered many losses in different ways. Coach Vice had a tough time trying to find someone to replace All American Lee Dixon. None of the Pokes could quite fill the shoes in just the right manner.

The season started off slow again, but the fans remembered that last year it began in the same manner and still turned out to be a good year. In this case, they were to be disappointed. The record books showed it was the worst season ever in the won-lost category.

Even the home court advantage that worked so well last year did not pay off for the Pokes. The only highlights were the McMurry College and the Texas Christian University games.

Beating McMurry on the basketball court is always a thrill no matter how the season turns out. The games against our crosstown rival are exciting and winning helps to aid that excitement.

Equally exciting, if not more so, was the TCU victory. The Pokes were ready to beat the Southwest Conference school. The fans did not go away disappointed from the Coliseum that night.

The 1976-77 season also saw the final game that would be played in Rose Field House by the Cowboys. A few years will pass before the Pokes will play a home game on the campus.

Cowgirls Place Third In Zone

THE 1976-77 WOMEN'S BASKETBALL TEAM: KNEELING - Sharon Cartrite, Terri Timmons, Susan Faircloth, Judy Linville, Azzie Kellam, STANDING - Rosemary Rivera, trainer, Gena Lancaster, Tracy Morgan, Lyla Lohn, Marcia Brass, Kim Williams, Sallye Norman, and Coach Peggy Williams.

The women's basketball team had a great year to say the least. With a 17-9 record, the women were eligible for the state tournament. They consistently broke the scoring record all year long. They were the best offensive team in the school's history.

The team placed third in the regional tournament. Wayland and Texas Tech placed 1st and 2nd respectively. The Cowgirls lost to Tech by only two points for a very exciting game. As members of the Texas Intercollegiate Athletic Women's Association, the team proceeded to the state tournament.

The team was led by Sherry Griffin with an average of 18 pts. per game. She scored a total of 509 pts. for the season. Two other leading scorers were Kim Williams with an average of 10.9 and Sallye Norman with an average of 10.2. The trainer was Rosemary Rivera. The coach was Mrs. Peggy Williams.

Soccer Gets A Corner Kick

For being a second year team, the soccer team showed the campus that they could stand on their own. They had a 5-3 record which gave them a winning season.

Because of their success, the team will be joining a league in the fall of 1977. Their success also brought them some very enthusiastic fans. There were many students and parents who were excited and proud of the team members.

One of the highlights for the season was the Homecoming game which was played on the campus' soccer field. There were a lot of people who turned out for the game.

The team stands a good chance to keep up their winning streak since very few starters graduated at the end of the season.

The team was coached by Sgt. Maj. Chuck Smith.

The 1976-77 Volleyball Team - BELOW: KNEELING - Kim Linton, Debbie Irwin, Leslie Zimmerman, Shelia Tindall, Kayla Gardner, STANDING - Carol White, Rita Perales, Vicky Johler, and Mary Grace Ray.

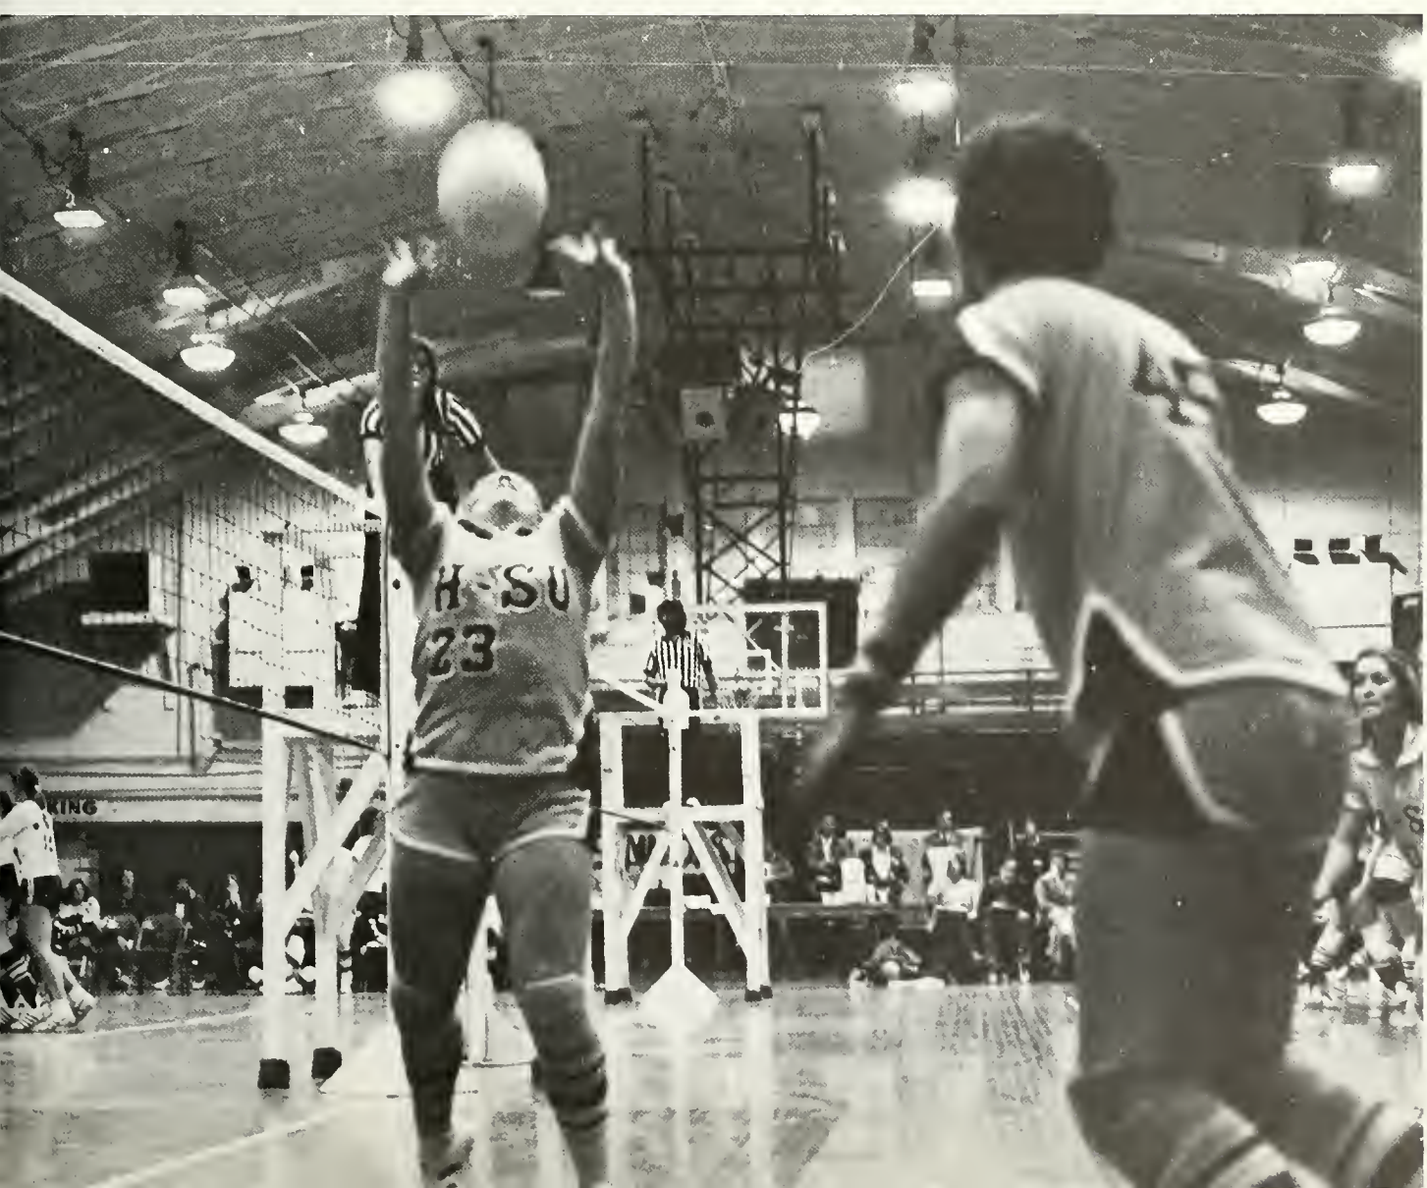

Height Makes The Difference

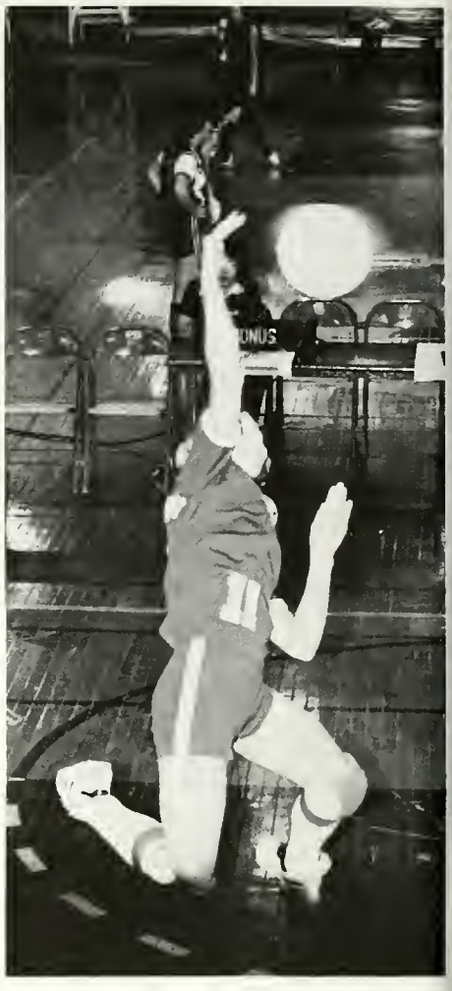

The Cowgirls were disappointed with their 1976 volleyball season winning four of twenty-eight games. The main reason for their losses was the lack of height on the team. Another factor to be considered was that the team was composed mainly of freshman women.

The team will be losing only a few members and are expecting a good season now that they have had some experience behind them. The women were coached by Peggy Williams and Rosemary Rivera served as trainer.

Netters Go To State Tourney

The 1976-77 Women's Tennis Team - SEATED - Sylvia Smith, Carol Bierdeman, Anne McHenry, STANDING - Dr. Purser, coach, Lynn Porter, Beth Hodgson, Nancy Worters, and Laura Schairer.

Women's tennis had a few surprises for the team. The first was that they placed third at the Texas Intercollegiate Athletic Women's Association Zone Tournament. They accumulated 3.6 points to squeeze by Abilene Christian's 3.5. This allowed them to qualify for the state tournament.

The top twelve teams in Texas were at the tourney. H-SU drew Trinity and Texas opponents in the first round. Schairer-Hodgson had a bye and in the second round beat Rice's top duo. They lost to the Texas Wesleyan duo in the semi-finals consolation bracket.

Rackets See Plenty Of Action

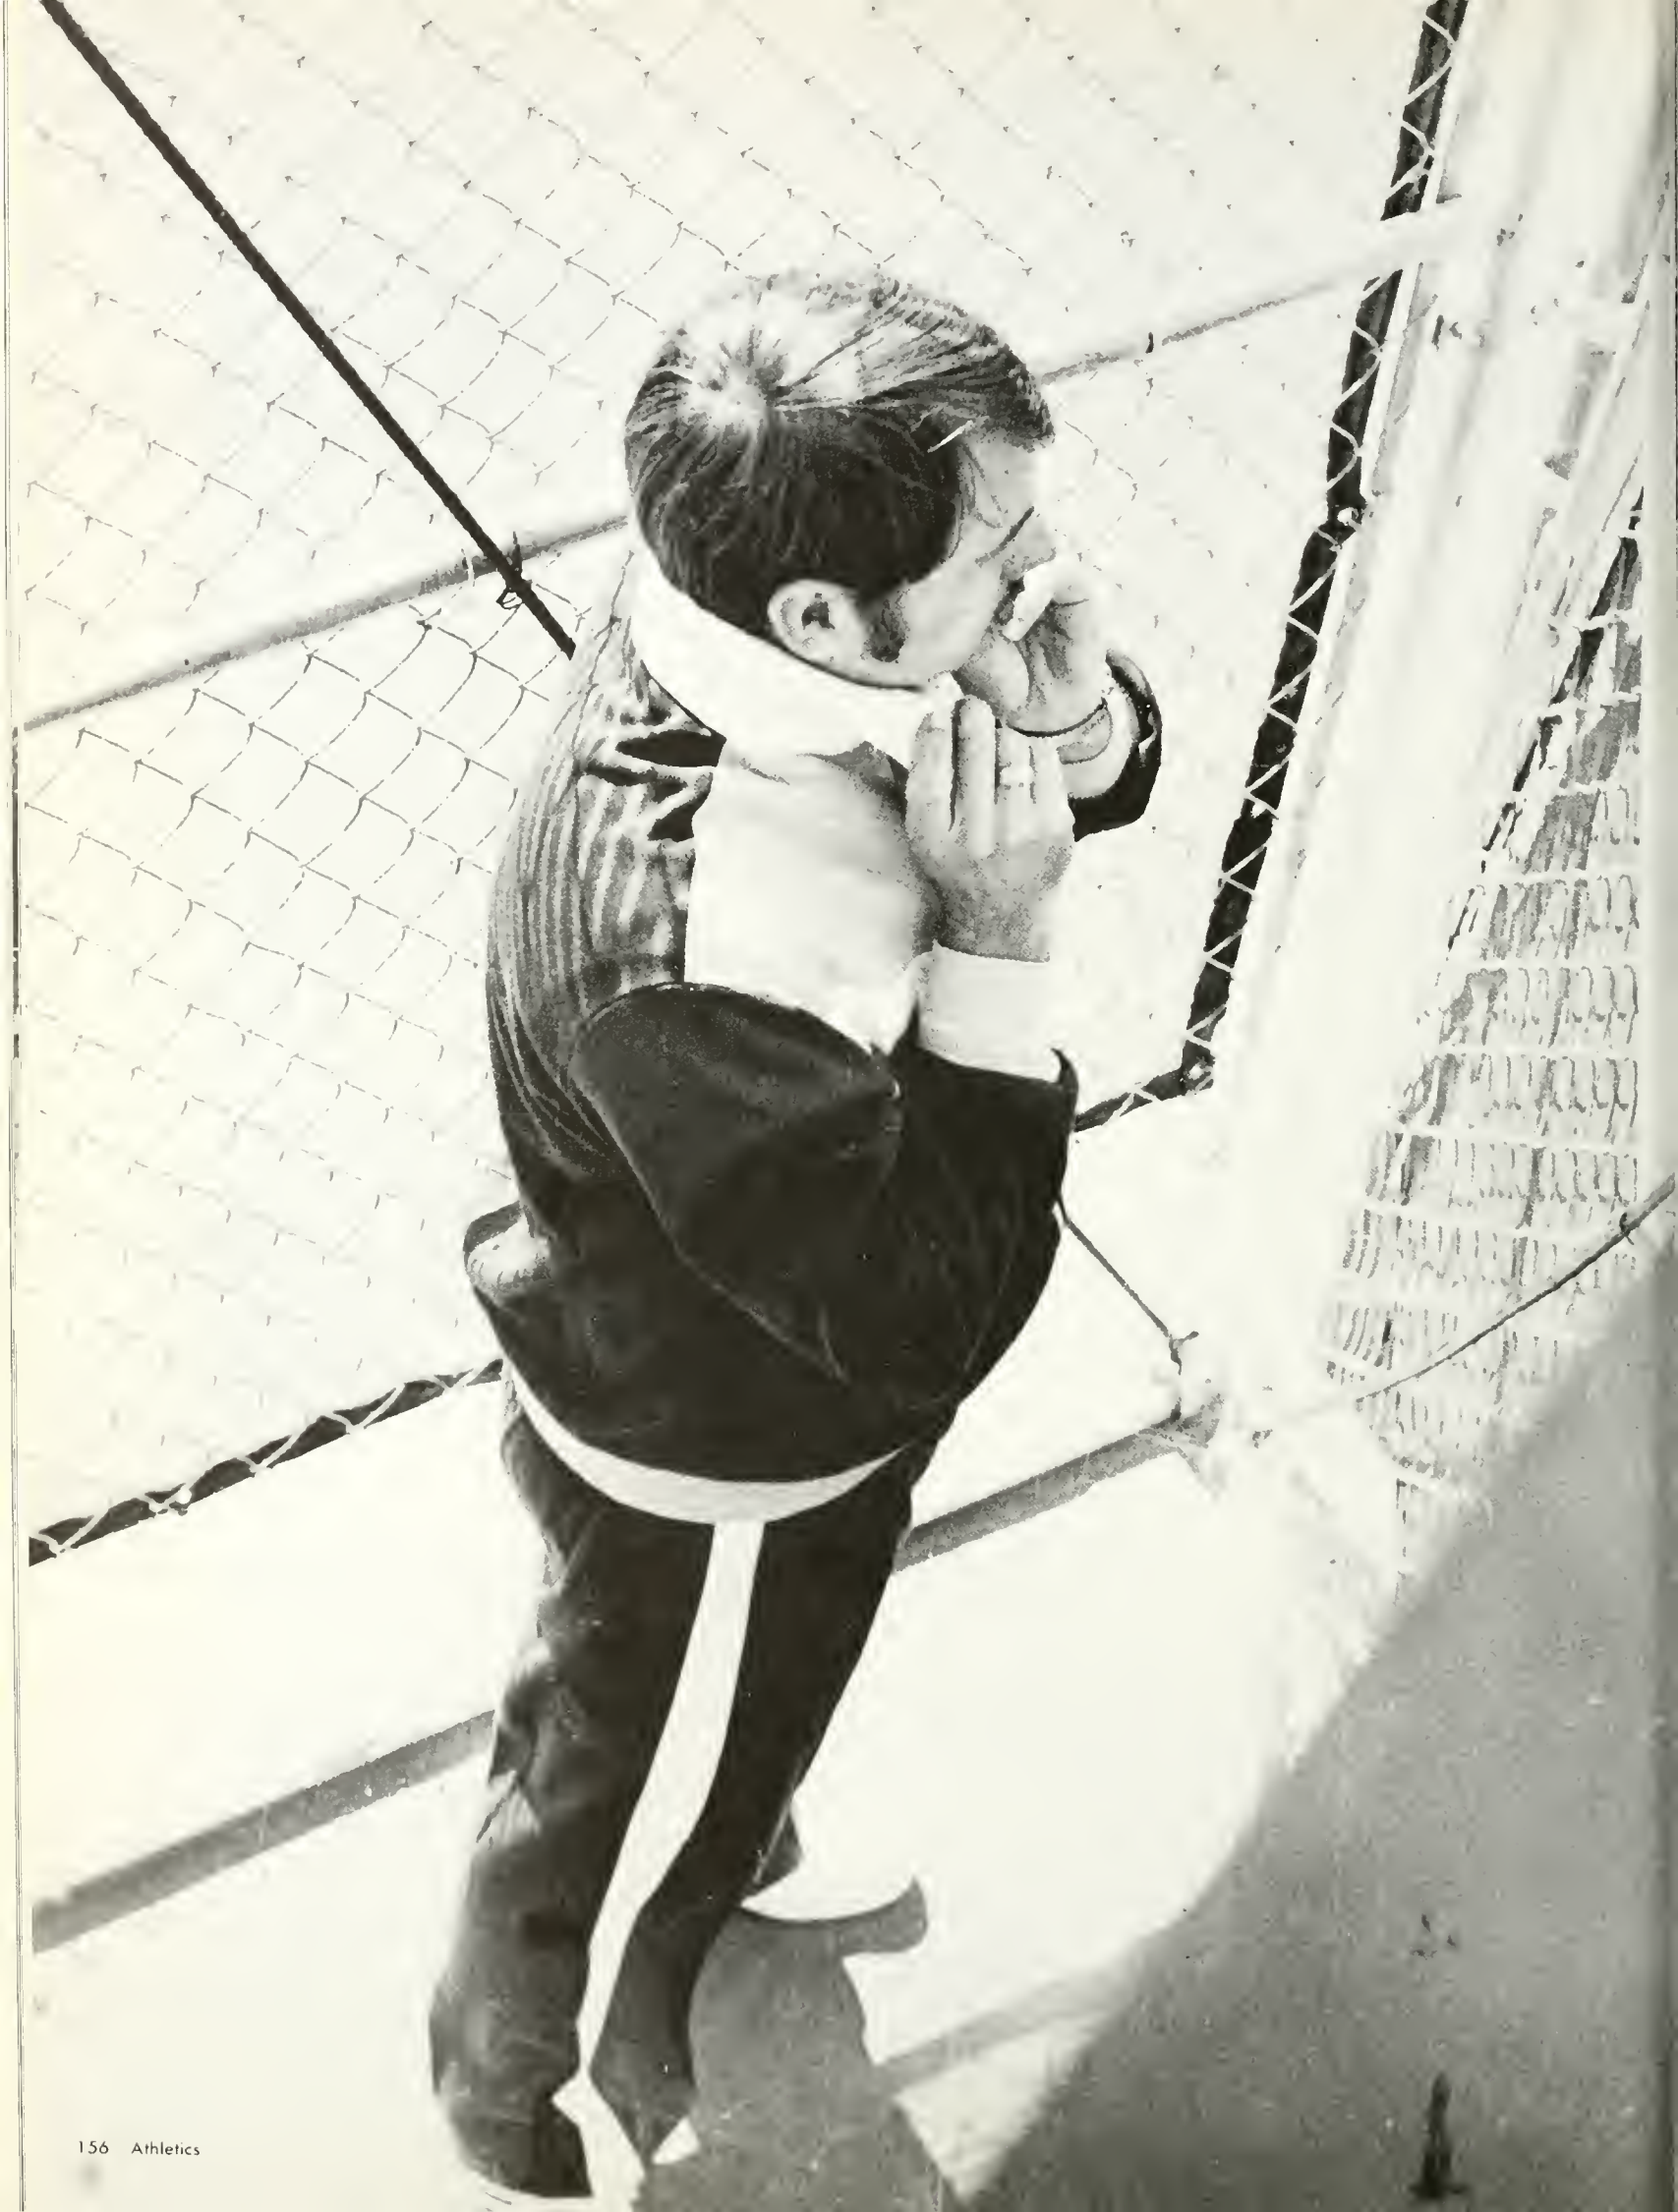

The 1976-77 Men's Tennis Team - STANDING - John Nesler, Blake Allen, Clay Brandon, Dr. Newman, coach, SEATED - Chip Putnam, Jay Meyers, Cactus Schroeder, and Mike Allen.

Posting an 11-7 record, the men's tennis team had a fairly good season. They worked hard and earned their victories. While some ill health and injuries slowed them down for a while, it did not hold them back for long.

The team had two walk-on players. They were John Nesler and Clay Brandon. With these two players and the other newcomers to H-SU, the team showed a lot of variety and depth.

One of the high points of the season was when the team placed first in the North Texas State University Tournament in Denton. They worked their way past Minnesota, Southeastern Oklahoma, and Northwestern to take the title.

The team was coached for its second year by Dr. Newman.

The 1976-77 Cowboy baseball team broke record after record during their season. Their 26-15 record is the best in H-SU's history, with 26 victories being the most in a season.

It was highly unusual that a large group of the players are Abilenians, having gone to the local high schools.

Phillip Tippen batted a .403 for the season. He is only the second H-SU player to bat over .400. Don Lawson had a 9-2 won-lost record, making his the best percentage ever. Tippen hit ten home runs and 45 RBIs breaking Randy Davis' old record of 43.

In addition to this, the team won the city championship for the sixth year in a row by posting a 2-1 record against Abilene Christian University.

Golf Team Bogies The Season

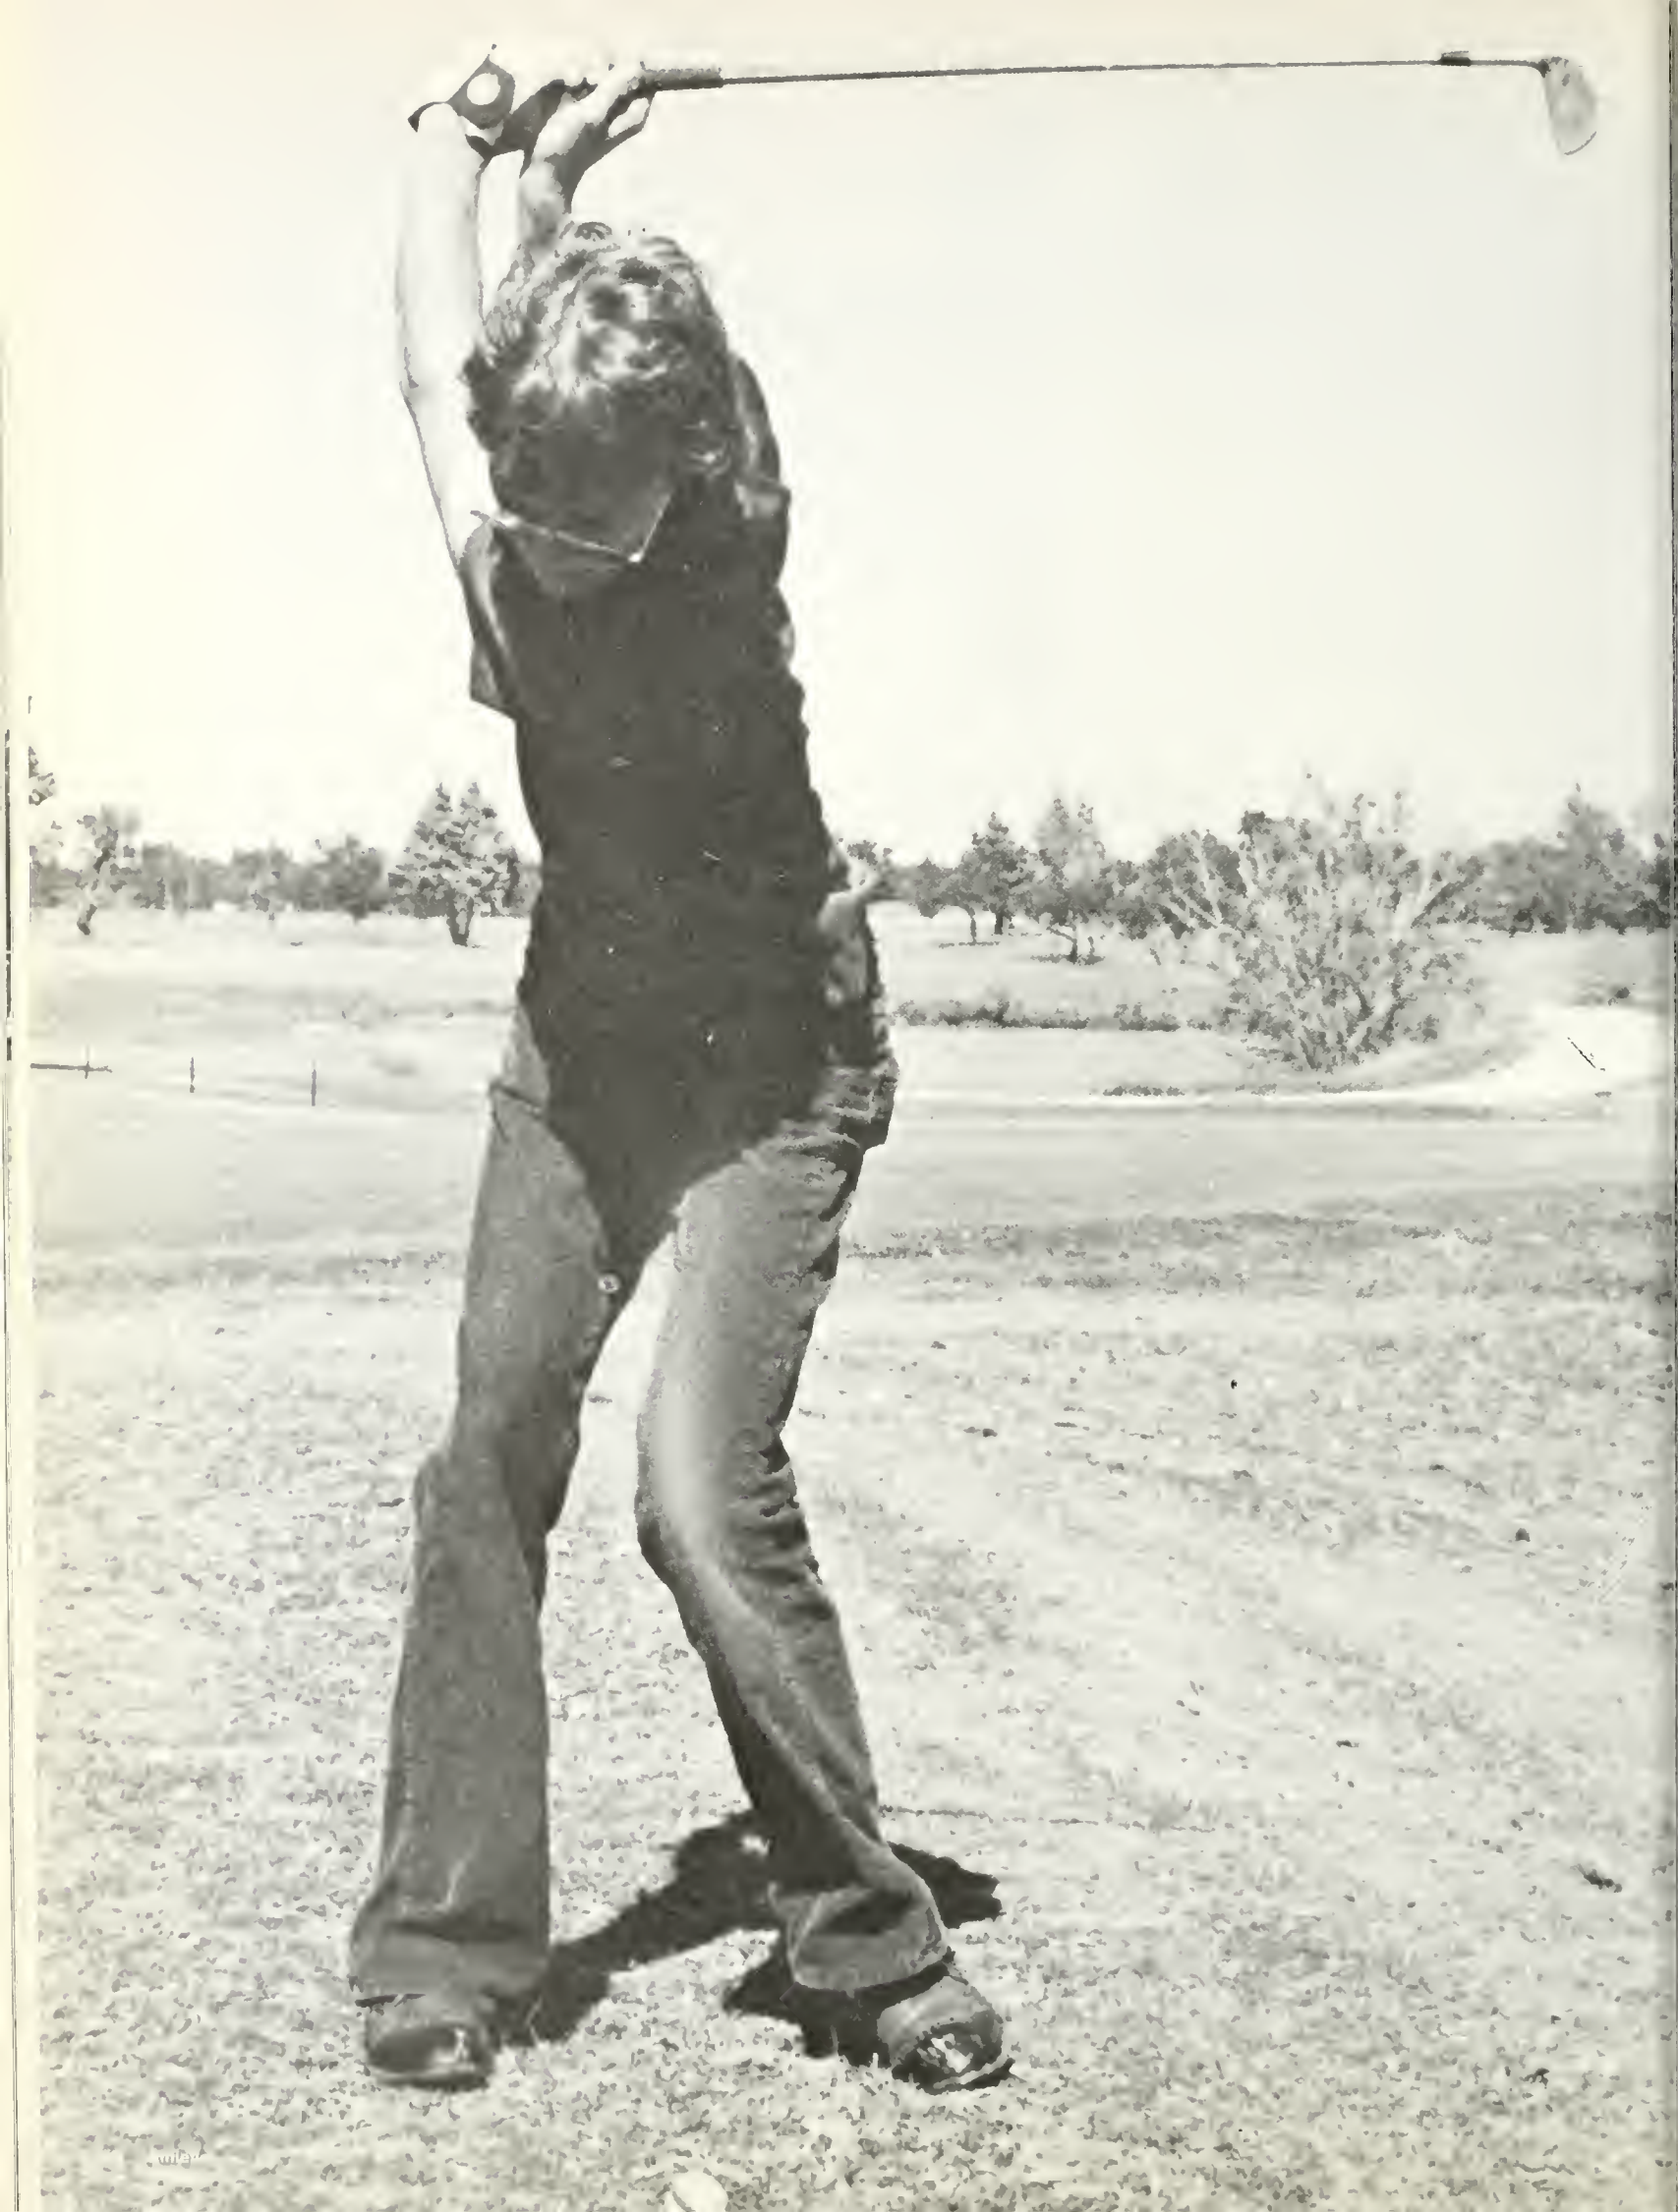

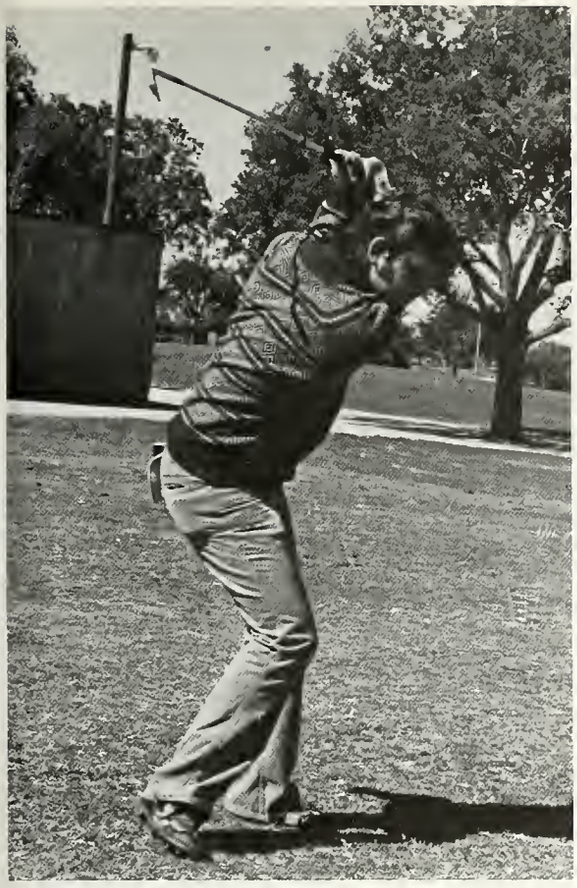

The 1976-77 season proved to be disappointing for the Pokes. One of the setbacks was the change over of most of the team's members with the beginning of the spring semester.

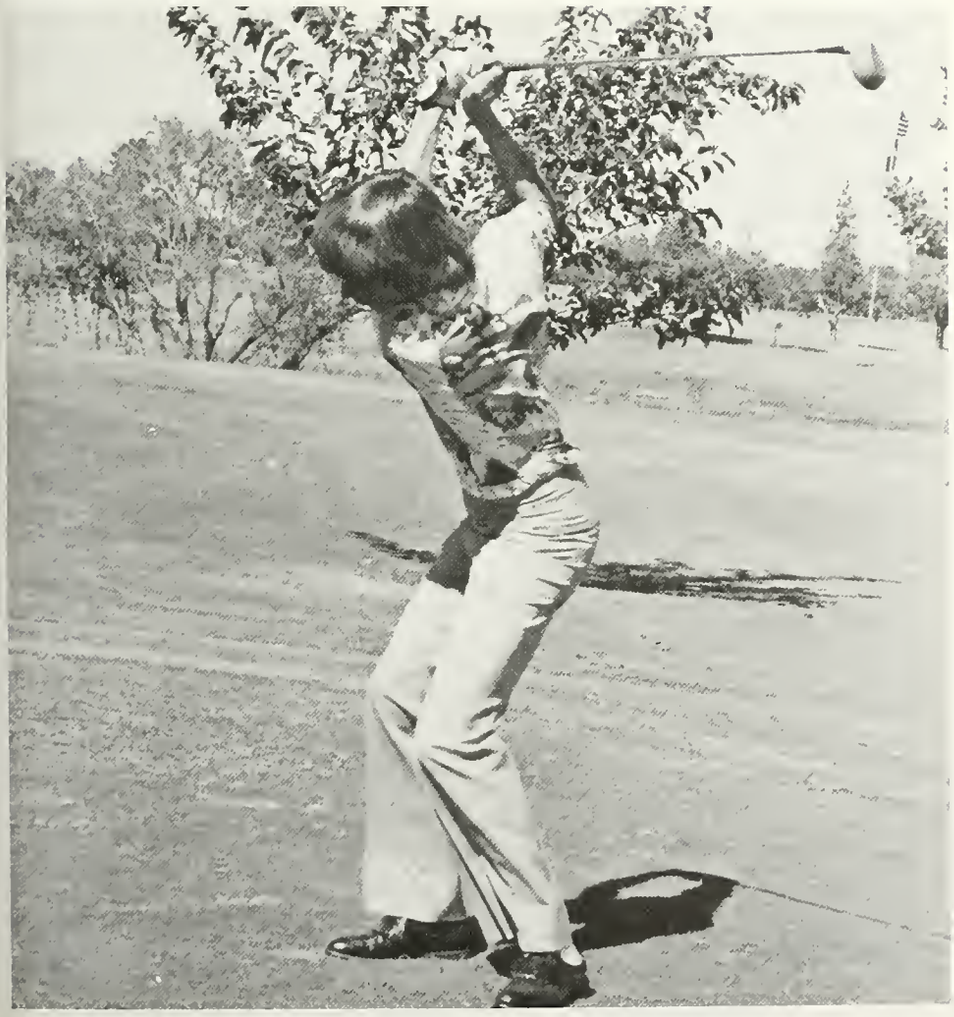

The team could not shake off the setbacks in order to get on the winning streak.

Let Me Hear You Frankenstein

What would a season of athletics be without some spirit? The Cowboys wouldn't know about that. The cheerleaders made certain that there was always some noise to encourage the teams on to victory. The cheerleaders attended the SMU cheerleader camp just before school started. Unfortunately Carla Horton broke her wrists and had to were a cast for a major portion of the fall semester. After that, the three female and three male cheerleaders tried to come up with new ways to kindle spirit.

ICC Regulates Men's Activities

Men's Interclub Council - FIRST ROW - Marv Knox, Bruce Cannon, Jim Cargile, and John Humphrey, SECOND ROW - Joe Langley, Paul Grohman, and Ken Ingram.

The Men's Interclub Council was a medium through which a close relationship between the men's organizations could be maintained.

It was made up of one representative from each organization and the organization president.

The ICC was actively involved in coordinating the affairs of each organization. They also served as a regulatory and judicial board for pledging activities.

The ICC president was Joe Langley, president of Sigma Delta Sigma. Dr. Ross Johnson served as sponsor.

IOC Unifies Women's Organizations

Women's Interorganization Council - SEATED - Rhonda Evans, Sherla Vick, Janet Nelson, Terri Steinman, and Martha Ruiz, STANDING - Nancy Merrell, Tid McAden, Sharon Etheridege, Kristi Finley, Darlene Barnett, Jeannine Lopez, Jo Cox, Debbie Irwin, Paula Edwards, and Jane Morgan.

The Women's Interorganization Council worked to coordinate campus activities and policies among women's groups. The council was made up of the president, pledge captain, and IOC representative of each organization.

The IOC hosted a Welcome Tea for incoming freshman women and sponsored the Best Dressed Coed contest. Through the IOC, some of the member organizations held a combined Rush Party for interested pledge prospects.

The IOC president was Jane Morgan, president of Delta. Dean Tid McAden served as the council's sponsor.

Alpha Phi Omega

D'Anna Pingaman
Sweetheart

A year of service to fraternity brothers, the university, the community, and the nation, is what Alpha Phi Omega meant to its members.

As a national service fraternity, they collected for the Heart Fund, the Cancer Drive, and VAKD. This year they headed the business drive for the American Heart Association. The public service announcements they made for radio and television were among the best in the state. They collected enough money to place third in the "Bathtub Pull" to Austin.

In addition to collecting money, they ushered, helped in registration, awarded leadership scholarships, helped in the NIRA rodeo, and aided in various other university functions.

Part of their three-fold purpose is friendship. They accomplished this by participating in intramurals as the "Pilgrims."

Their social functions included the Fall Feast, Christmas Package Party, rush parties, and the "Easter Parade" spring banquet.

They also strived to promote leadership. Their members included the Student Congress president and vice president, Student Foundation president, Brand editor, Bronco editor, MCPC chairman, Senior and Sophomore class presidents and congressmen, members of the SSU executive and freshman councils, and soccer players.

Five of their members were listed in Who's Who, one selected as Mr. Bronco and another as Junior Class favorite.

Their sponsors were Dr. Jerry Reynolds, Dr. John Laughlin, and Capt. David Rosengrants.

Beta Gamma Epsilon

Wayne McClellan
Beau

Although Beta Gamma Epsilon did not have the large numbers that the other sororities on campus had, they prided themselves for high scholastic achievement, friendship, and high standards of Christian character.

They had over ten social activities for their members including cookouts, teas, and a Beta weekend.

In addition to social activities for their members, they had a Favorite Faculty Tea and two Church Days during the school year.

Some of their members were involved on campus in various clubs, such as United Mexican American Students and FSU. Judy Contreras served as Senior Class secretary.

Sponsors for the sorority were Dr. F. W. Aston and Bobbie Munoz.

Delta

Jane Morgan
President

The women of Delta social club were well represented in the activities on campus. They were involved in the All-School Sing, the Election Carnival, the rodeo parade, and in promoting Cowboy Spirit.

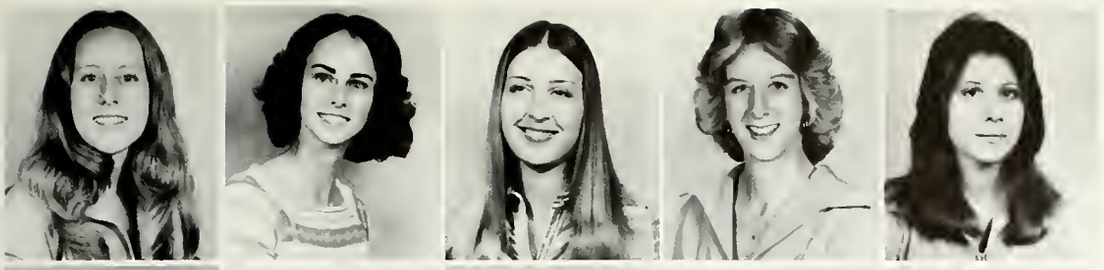

The sorority was founded to cultivate an awareness of the need for finesse and refinement in every social situation; to make through social interrelationship a contribution to the spirit of the university and to promote school loyalty; to instill a sense of leadership through participation in all activities of the organization.

Not only did the women of Delta participate in campus activities, they also ushered at some of the events held at Taylor County Coliseum.

Many of their members were active in organizations apart from the sorority. They served in various capacities with Student Foundation, the Bronco, the White Horse riders, and in Van Ellis productions.

Two of their members were selected for Who's Who, one for Best-Dressed Coed finalist, and a varsity cheerleader.

Sponsors for the sorority were Sue Higgins and Marlene Panian.

Epsilon Pi Alpha

Gene Alexander and Mark Carter
Fall Pledge Beau and Spring Pledge Beau

Epsilon Pi Alpha started the year off at a run and continued from there. Not many people could believe how fast the new women's service sorority grew.

The women started the previous year in organizing the sorority. They were busy in forming a constitution, selecting colors, emblems and everything else that comes with forming an organization.

When they began their pledging activities in the fall, they had more pledges than their 24 active members. After the spring pledges were inducted, EPA had over 80 members, making them the largest organization on campus.

Attracted to the aspect of serving others. They collected for the Heart Fund and Cancer drives in Abilene. They helped in a library service to rest homes, ushered at campus events, served at banquets, cleaned up the campus, and even painted the rodeo corrals.

Members served in Student Foundation, MCPC, PSU Executive Council, and honor societies.

Honors to members included University Princess, Rodeo Sweetheart, Best-Dressed Coed Finalist, Senior Favorite, Sophomore Favorite, Ranger Sweetheart, and APO and Tau pledge class sweethearts.

Their sponsors were Dr. Elizabeth Newnam and Gay Wingfield.

Kappa Phi Omega

Sharon Carver
Sweetheart

Kappa Phi Omega, men's social club, considers itself the "all around club" on campus.

Their objectives include: (1) to contribute to the versatility and totality of the social activity of the campus, (2) to promote Christian brotherhood, (3) to promote cultural growth and exemplary scholastic achievement, and (4) to promote leadership, to develop character, and to instill a keen sense of pride in H-SU.

Their social activities included a bowling party, Christmas banquet, Valentine dinner, After-game party, campout, and senior's farewell banquet.

John Humphrey, president for the club, was listed in Who's Who. Other members were active in honor societies and Student Congress.

The club participated in almost all intramural sports.

Club sponsors were Dr. Thomas Murphree and James Warren.

Phi Mu Alpha Sinfonia

Colleen Hughes
Sweetheart

The Theta Lambda chapter of Phi Mu Alpha Sinfonia worked to promote the highest standards of creativity, performance, education and research in music in America by furthering the art on campus.

The chapter supported music by offering instrumental and vocal music scholarships, sponsoring musical programs, and working on musical projects.

They co-sponsored the American Musicale, the All-School Sing, the School of Music dinner, the All-School Caroling Party, and receptions following junior and senior recitals with Sigma Alpha Iota.

The fraternity selected Colleen Hughes as their sweetheart. She represented them in the Best-Dressed Coed contest and was selected for the honor as Best-Dressed Coed for the 1976-77 school year.

Two of the fraternity members were honored by being listed in the 1976-77 edition of Who's Who in American Universities and Colleges.

Phi Phi Phi

Debbie Irwin
President

With a purpose of enriching the spiritual, mental, social, and emotional aspects of each of it's members, the sisterhood of Phi Phi Phi can truly say they had a well-rounded year.

By participating in many university events, they brought distinction and honor to their sorority.

A major victory came when they won the Sweepstakes trophy and women's division in the All-School Sing. They presented selections from the Broadway musical, "A Chorus Line." They displayed a great deal of school spirit for the athletic teams.

As a social club, they showed creativity in each party. They had a Polaroid Christmas Party, and Old Movies costume party, a Square Dance, a Spring Banquet, a Farewell Luau, and other theme parties.

The women worked in many organizations giving freely of their time and energy. Some members were active in Student Foundation, Student Congress, Moody Center Program Committee, Varsity Volleyball, and the Bronco.

Their involvement brought some honors and elected positions to their members. Their sisterhood included two cheerleaders, Student Congress secretary, a Best-Dressed Coed finalist, Junior Class favorite, all Junior Class officers, and the Sophomore Class treasurer. Sponsors for Phi Phi Phi were Mrs. Etta Smith and Mrs. Billy Martin.

Sigma Alpha Iota

Richard Harwood
beau

The women of Sigma Alpha Iota, international professional music fraternity, kept busy the entire year with various programs that furthered their fraternity.

With a purpose of upholding the highest ideals of a musical education, furthering the development of music in America and promoting a stronger bond of musical interest and understanding between foreign countries and America, and raising the performance level of women students and giving inspiration to its members.

With this in mind, they strove for peace, illumination, and unity. They accomplished this with their national projects. These included a Community Action Project, being members of the National Association for Music Therapy Inc., sponsoring the Braille Transcription Project and Bold Note Music Program which transcribes music for the blind and partially sighted musician, and sponsoring a place for a serious composer to go and have quiet solitude where he can compose.

Locally, the members co-sponsor the All-School Sing, the American Musicale, the School of Music dinner, the All-School Caroling Party, and receptions following junior and senior recitals with Phi Mu Alpha Sinfonia.

The chapter also had a Vespers service, a Rose Party, and Valentine Party for Alumnae and patronesses, and a Halloween Kidnap.

Their members were honored in many ways. Their membership included a University Princess, the 1976-77 Best-Dressed Coed and four were listed in Who's Who Among Students in American Universities and Colleges.

The sponsor for the fraternity was Miss Jaynne Middleton.

Sigma Delta Sigma

Sara Marshall and Cheryl Craig
Sweethearts

The men of Sigma Delta Sigma social club began the school year in traditional style by sponsoring an ice cream social and topped it off by winning the flag football championship for the fifteenth consecutive year.

Their members were active in many of the intramural sports events. They also participated in many campus activities. They collected money for the BSU Rock-A-Thon for the summer missions program, participated in the All-School Sing with their entry of "Dames At Sea," and sponsored an H-SU/McMurry party.

Their social functions included several rush parties and socials for their members and dates. This included their Gold and White formal and the annual Thunderball Weekend.

Not only were their members involved in their own fraternity functions, but they were active in campus organizations and programs. Members were active on the Moody Center Program Committee and one of their members was in Student Congress as congressman-at-large. Their president served as president of the Interclub Council. Two of their members were listed in Who's Who Among Students in American Universities and Colleges.

Tau Alpha Phi

Taby Martinez
Sweetheart

An active, fun-filled year is an understatement for Tau Alpha Phi's year.

In between the All-School Sing, rush parties, and "Turkey Trots," the men of Tau social club found time to build a strong bond of brotherhood.

Their strong bond was evident in their participation in intramural sports, pledging activities, and social function.

Two of their major events are the Blue and Gold Weekend and the Sweetheart Banquet.

An honor which the club earned was winning the men's intramural trophy for accumulating the most points through participation and winning in intramural competition.

Their members were involved in Student Congress and Singers Ho!

Two of their members were varsity cheerleaders and one was selected as Sophomore Class favorite.

Gentle Breezes

A soft but steady force can be seen in the gentle breezes that the wind offers. The wind chime allows us to know with its soft music that the wind is blowing. Through activities that kept the university going, the organizations displayed the same gentle force that keeps a wind chime playing its music.

Student Congress completed another year of routine activities in addition to making some suggestions and moving for changes to benefit the students and university.

Under the guidance of Dr. Ross Johnson and Dean Tid McAden, the officers and congressmen handled the All-School Picnic, Elections, Carnival, Freshman Talent Show, and numerous other essential committees.

They handled a lot of the behind the scenes work to achieve the progress that students wanted in areas that concerned them.

Some of the topics that Congress worked on were Library hours, dorm conditions, energy conservation, parking tickets, and general complaints.

Moody Center Program Committee had a slow year in the way of activities. The most success came at the Halloween Spook House, "Fifties Day," Movie Society, and the open air concert.

During the year, there were four different committees that served. The fall semester co-chairman with David Kuydkendall was Cecil Childress. The spring semester co-chairman was Eddie Riojas.

The newest addition to the MCPC calendar was the Movie Society. This began in the spring. It offered one movie a week for students to enjoy. The students selected the movies they wanted after paying a small fee for membership.

Another big day was none other than "Fifties Day." Many students dressed up in 50's fashion. "Johnny Dee and the Rocket 88's" provided entertainment.

Student Foundation is a group of students who work throughout the year to promote the university and school recruitment. As an organization of 32 members, Student Foundation worked throughout the year. Homecoming was busy with Parents and Alumni Reception, Bar-B-Q Luncheon, Pecan Scholarship Drive, and campus tours.

On January 18 and 19, Foundation hosted High School Weekend. Approximately 150 High School students turned out on campus to get a closer look at what Hardin-Simmons is all about.

In the Spring, the foundation traveled to Edinburg, Texas for the annual "Orange Picking Trip." All profits from the orange picking go toward a Student Scholarship Fund. This year over 350, 40-pound boxes were sold in the Abilene area with proceeds totaling around $3,300. Ten $600 scholarships were given to students with at least a 3.0 grade point average and in financial need.

Student Foundation is sponsored by Mr. Edgar Jackson, Director of Admissions; Dr. David Ray, Assistant Vice-President for Development; and Mrs. Reba Boyd, University Receptionist.

BSU Leads In Campus Ministries

The Baptist Student Union, or BSU, has always been an active, vital part of the campus . . . and this year was no exception.

Sponsored by Marshall Walker of Religious Activities, and headed by Pat McCurdy, this year's BSU Executive Council went all out to sponsor religious activities and opportunities of service on campus.

Some activities for the year included four revivals held in various cities for what is called the "Big-Step" program, adopt-a-child day, singing groups, puppet teams, seminars and much, much, more.

The Rock-a-Thon, which is a drive to raise money for summer missions, was a big success this year. A combined effort of the social and service clubs, plus faculty brought in approximately $1,300 for the cause.

During the fall, the Celebration Singers traveled to the New Mexico Baptist Convention held in Carlsbad, New Mexico to represent Hardin-Simmons in a beautiful song presentation of Christ.

Two of the BSU's largest projects included the Laredo Mission Trip over the Christmas holiday and the annual Student-Led Revival Trip to Indiana, Kentucky, Ohio, Colorado, and California.

The main objective of the Freshman BSU Council was to unite the freshman class and to introduce freshmen to the activities of the BSU. One of the activities which the council planned for the class was a Lock-In Retreat held in the fall semester. They also sponsored a freshman rocking chair in the Rock-a-Thon to help in raising money for Summer Missions.

Face Lift Changes Brand's Look

The Brand made two major changes from the past formats it has taken. The first was a change from the five-column layout to the four-column layout.

The second change came when it stopped publishing twice a week to only once a week, thereby becoming a weekly newspaper.

Marv Knox once again served as the editor. Other staff members included business manager Susan Parker, Amusements editor Robert Williams, Sports editor Greg Jaklewicz, and newswriters Ronnie Howell, Randy Gressett, and Kathy Thomas.

The sponsor for the Brand was Randy Armstrong.

Bronco Moves With Wind

The 1977 Bronco staff worked hard to create a different type of annual for the student body.

Beginning work in the summer of 1976, the staff tried to cover as much of university life as possible. They also tried to kindle interest in the Bronco by wearing staff shirts and selecting a Mr. and Miss Bronco from the student body.

It was a year of deadlines, confrontations, and change for the better of the annual. Eddie Riojas served as editor for the year. A total of nine students worked to produce the yearbook. It was the largest group to take interest in the yearbook in recent years.

Alpha Chi Is Academic Leadership

Members of Alpha Chi - Joe Arnett, Nora Black, Judith Bump, Byron Deal, Bob Ellis, Susan Ferrell, Paula Herring, Donald Howard, Debra Irwin, Pam Johnson, Kermit Klaerner, Phillip Mahaffey, Jane Morgan, Susan Parker, Gail Parkey, Robert Penton, Laurene Peterson, Susan Porter, Cheryl Roland, Gail Roper, Pete Sentena, Paula Turney, Robin White, Peggy Page, James Zukas.

Alpha Chi is a nationally recognized undergraduate honor society. Its purpose is to recognize those students who have achieved a high academic level as well as good character standing, and to promote scholarly pursuits.

This honorary organization is sponsored by Dr. Lloyd Huff and Mrs. Verma Reiff of the English Department. Students who are in the upper ten per cent of their class are eligible for membership.

Alpha Chi's officers this year were Susan Porter, President, Kermit Klaerner, Vice President, and Pam Johnson, Secretary.

This year was a busy and exciting one for the world famous Cowboy Band. Over and above the usual parades, basketball games, and rodeos, the Cowboy Band represented Hardin-Simmons in two nation-wide events to start the new year off.

On January 1, 1977 the band traveled to Dallas to march in the Cotton Bowl Parade. And on Inauguration Day 1977, the Cowboy Band represented not only Hardin-Simmons, but the state of Texas in President Carters' Inaugural Parade.

Late in the fall semester, the band traveled to Lubbock and performed at the Texas Tech Rodeo. They have performed at all H-SU rodeos in the past and boosted the spirits at every home Cowboy Basketball game.

This is Lawson Hager's fourth year to be director of the famous Cowboy Band. The officers for the year were Mike Lee, President; Larry Moore, Vice-President; Mark Rucker, Secretary; Cecil Childress, Mother; Dennis Steckly, Assistant Mother; Malcolm Crawford, Reporter; Stacy Blair, Chaplain; Ronnie Howell, Intramural Director.

Miss Jeanne Bailey was elected to be sweetheart.

Rangers Means Service On Campus

ABOVE: ROW ONE - Greg Pierce, Rachelyn Stroder, Doug Carberry, Dale McDaniel, Jud Powell. ROW TWO - Mark Hamrick, Frank Dagen, John Cary, Steve Kilgore, Robert McKinnon, Jim Cargile.

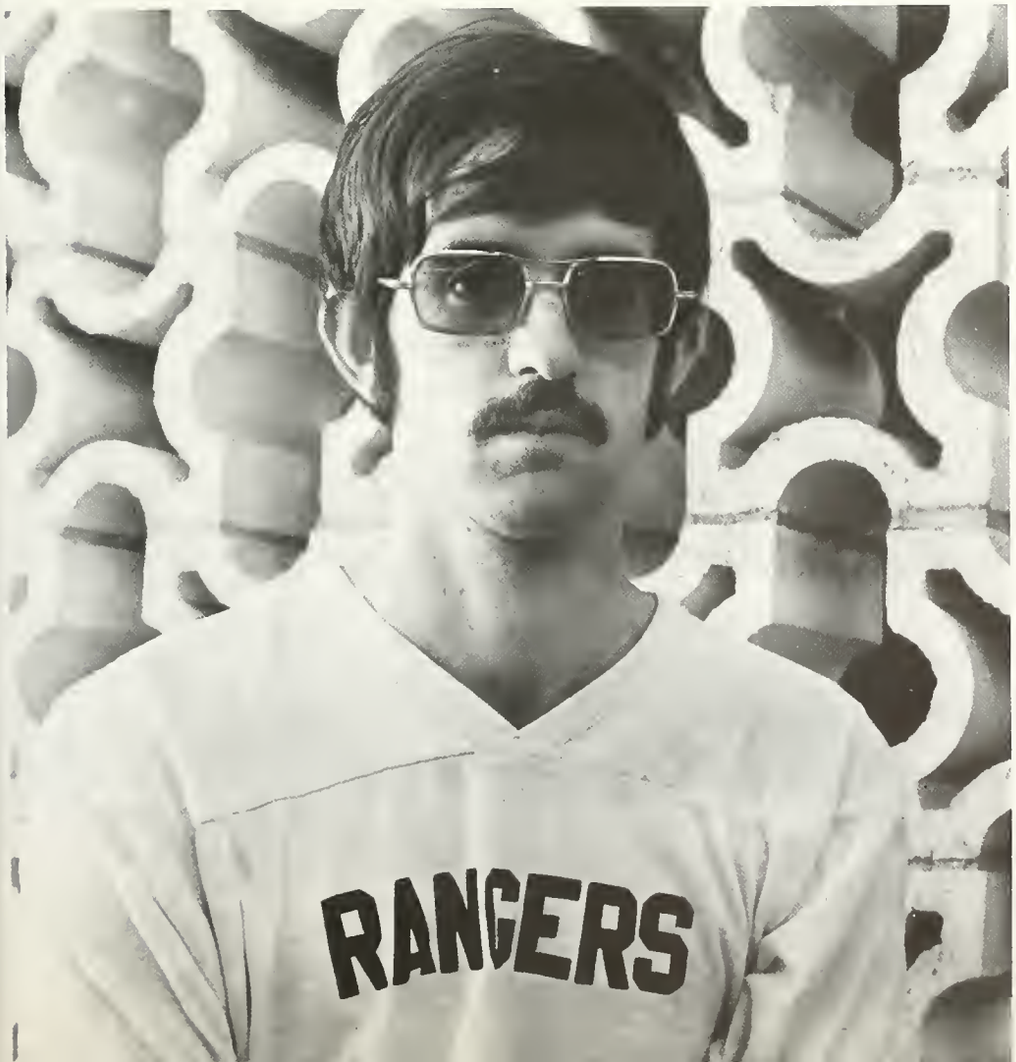

For the men of Rangers, service and helping others could be a theme. The fall semester Rangers helped with the Abilene University Women's Club Booksale by setting up the books and helping to deliver them.

During the Rodeo, Rangers worked throughout the weekend to park the cars of spectators. H-SU Lifeline, which is a blood drive sponsored by Rangers, was a successful one this year as they worked toward the benefit of everyone.

For the BSU Rock-A-Thon, Rangers came out on top with a total of $369.59 collected toward the goal. For the men of Rangers, helping others is really a way of life.

Officers this year were Jim Cargile, President; Steve Kilgore, Vice President; Eddie Piker, Secretary/Treasurer; and Bill Skelton, Pledge Captain. Ken Hill, Director of Alumni, is Ranger sponsor. Rachelyn Stroder was selected as Sweetheart.

ROW THREE - Rita Perales, Robbie Martinez, Rachel Aguirre. ROW FOUR - Alicia Lozano, Audrey Chadwick, Sylvia Pando, Becky Bridges. ROW FIVE - Eddie Lopez, Jim Whitlock, Robert Ramirez, Dr. Julian Bridges, Amonna Morgan, Sandra Lopez.

As one of the few co-ed clubs on campus, UMAS provides a social atmosphere for the Mexican-American students which centers in the Mexican culture.

As a growing club, UMAS sponsored such activities throughout the year as their Parents Day Dinner at Homecoming, the Back-to-School Fiesta in January and the UMAS Banquete de Honor which was held in March.

Each spring, UMAS leads out in a United Mexican-American Week where the entire week is devoted to learning more of the Mexican culture. This year two chapel services were devoted to this special week. Mr. Adolfo Flores of Houston was the guest speaker in Tuesday Chapel and the UMAS members led in Thursday's Assembly with the traditional Mexican Dances.

Officers were Betty Almaguer, President; Janet Gonzalez, Secretary; and Abby Dominguez, Treasurer. Dr. Julian Bridges, sponsor.

FOURTH ROW - Lynn Nesselrode, Kim Linton, Sherry Chapman, Ruth Ann Randall, Monica Maddox, Laura Laws, Clark Shubert, Patty Winters, Kay Holmes, Joyce Kelley, Lyla Lohn, Karen Meeks.

Eata Bita Pi is a women's intramural sports organization that is open to those women with 12 hours or more who are interested in playing sports and having fun.

This year was a good one for the women of Eata Bita Pi in the field of sports. The girls won first place in intramural Basketball, Baseball, and Badminton. They won second place in volleyball.

A Spring Picnic and two Pie Parties are among the many activities the girls had this year. The spring semester was highlighted with a bowling party followed by a Pizza eating gettogether.

Sharon Carver and Becky Mathis were co-presidents this year for this organization of approximately 35 members which has no official sponsor.

This year, the girls selected Clark Shubert as their "Dough Beau."

Rodeo Club Is An "All-American Sport"

ABOVE: Allan Sims, Georgianna Massey, Alice Fillingim, Michael Metcalf, Shelly Turner, Eddie Duvall, Ricky Dean, Mike Price, Steve Faris.

"The purpose of the Rodeo Club is to promote rodeo as an All-American sport, and preserve the western heritage of our country," Michael Metcalf said. Truly the Rodeo Club lived up to their purpose.

Activities for the group this year included two annual events - the H-SU Intramural Rodeo held on October 29th, and the H-SU NIRA Intercollegiate Rodeo held on the 29th of April.

The Intramural rodeo got off to a slow start with bad weather, but it became the highlight of the fall semester for rodeo fans.

The NIRA Intercollegiate Rodeo, which was held at Taylor Coliseum, was highlighted each night with the Six White Horses performing before the show and the Cowboy Band continually adding their festive spirit to the action.

This year's officers were Michael Metcalf, President; Mark Elgin, Vice-President; Shelly Turner, Secretary; Alice Fillingim, Reporter; Mike Price, Treasurer; Allan Sims, Social Chairman.

The club selected Miss Shelly Turner as their sweetheart for the year.

Six White Horses Travel To Washington

ABOVE: Terri Logan, Mignon Williams, Pam Hunter, Chesna Dickenson, Jean Gray, Shelly Turner, Alice Fillingim, Carolyn Rogers, and Georgianna Massey.

For years Hardin-Simmons has been represented in many rodeos, parades and fairs by the Six White Horses and their riders. Each year six girls are selected on their qualities of good horsemanship, appearance and academic standing to ride the horses for the university.

This year the Six White Horses traveled with the Cowboy Band to President Carter's Inaugural Parade on January 21st. The girls preceded the band which highlighted the parade with the good ole' Texas Spirit.

The Six White Horses participated in the West Texas Fair Rodeo and Parade, the H-SU Rodeo and Parade and in many other activities throughout the southwest. The girls also rode in the Cotton Bowl Parade in Dallas on New Year's Day.

The girls (and alternates) and their horses are Terri Logan, Holly; Mignon Williams, White Man; Pam Hunter, Pat; Chesna Dickenson, Apache; Jean Gray, Ragweed; Shelly Turner, Shorty; Alice Fillingim, Swede; Carolyn Rogers, Griego. Alternate was Georgianna Massey.

Before each performance comes a lot of behind the scene work. Cleaning and brushing, feeding and exercising, keeping the grounds clean, and making sure the horses stay healthy are just a few of the responsibilities taken outside the view of shows. Larry and Carol Taylor were responsible for carrying out these tasks. Dr. Bill Beasley sponsors the girls.

Army ROTC Builds Leaders

The Military Science Department and the Reserve Officer Training Corps had a wonderful year in 1976-1977. It was excellent for the standpoint of the number of persons involved and of the fun had by all.

A new program was introduced this year. It was designed to accomplish two objectives. First, the program was designed to provide training that is required by the army. It's second objective was to provide skill which can be used regardless of the work career selected by the individual.

Training in such skills as Backpacking, Water Survival, Campcrafts, Mountaineering, and Orienteering were introduced into the leadership laboratories. These skills are required by all persons planning to make the army a career. They also provide outstanding leisure activities for persons of all ages.

ROTC had a most active year for the out of class activities sponsored by the ROTC department. The Rifle Team, Orienteering Team, Color Guard, and Pershing Rifles were all very active.

Army ROTC is a strong unit of dedicated men and women who through their classes, skills, and training, builds leaders in the school and community.

Last August when many students were at their homes preparing to return to college, the Concert Choir was performing in Poland and Russia.

The Concert Choir, under the direction of Dr. Loyd Hawthorne, had a once in a life time experience when they accepted the invitation from the Youth Ministry of the Soviet Government to tour the Soviet Union.

Their tour began at the classical theater, Teatr Na Wyspie, at Lavienki Park in Warsaw, Poland. After three weeks of performing at and visiting fascinating sights across the two countries, they returned with a new insight at a different kind of life and lots of good memories.

March 16 through the 21st the choir went on their spring tour to the Music Educators National Conference held in Kansas City, Missouri. The group also made several performances en route to and from the conference.

This year's officers were Kent Jordan, President; Carlton Dillard, Vice-President; Cindy Harman, Secretary-Treasurer; Betty Sue Litzler, Historian; Colleen Hughes and Nancy Merrill, Social Chairman.

The Madrigal Singers

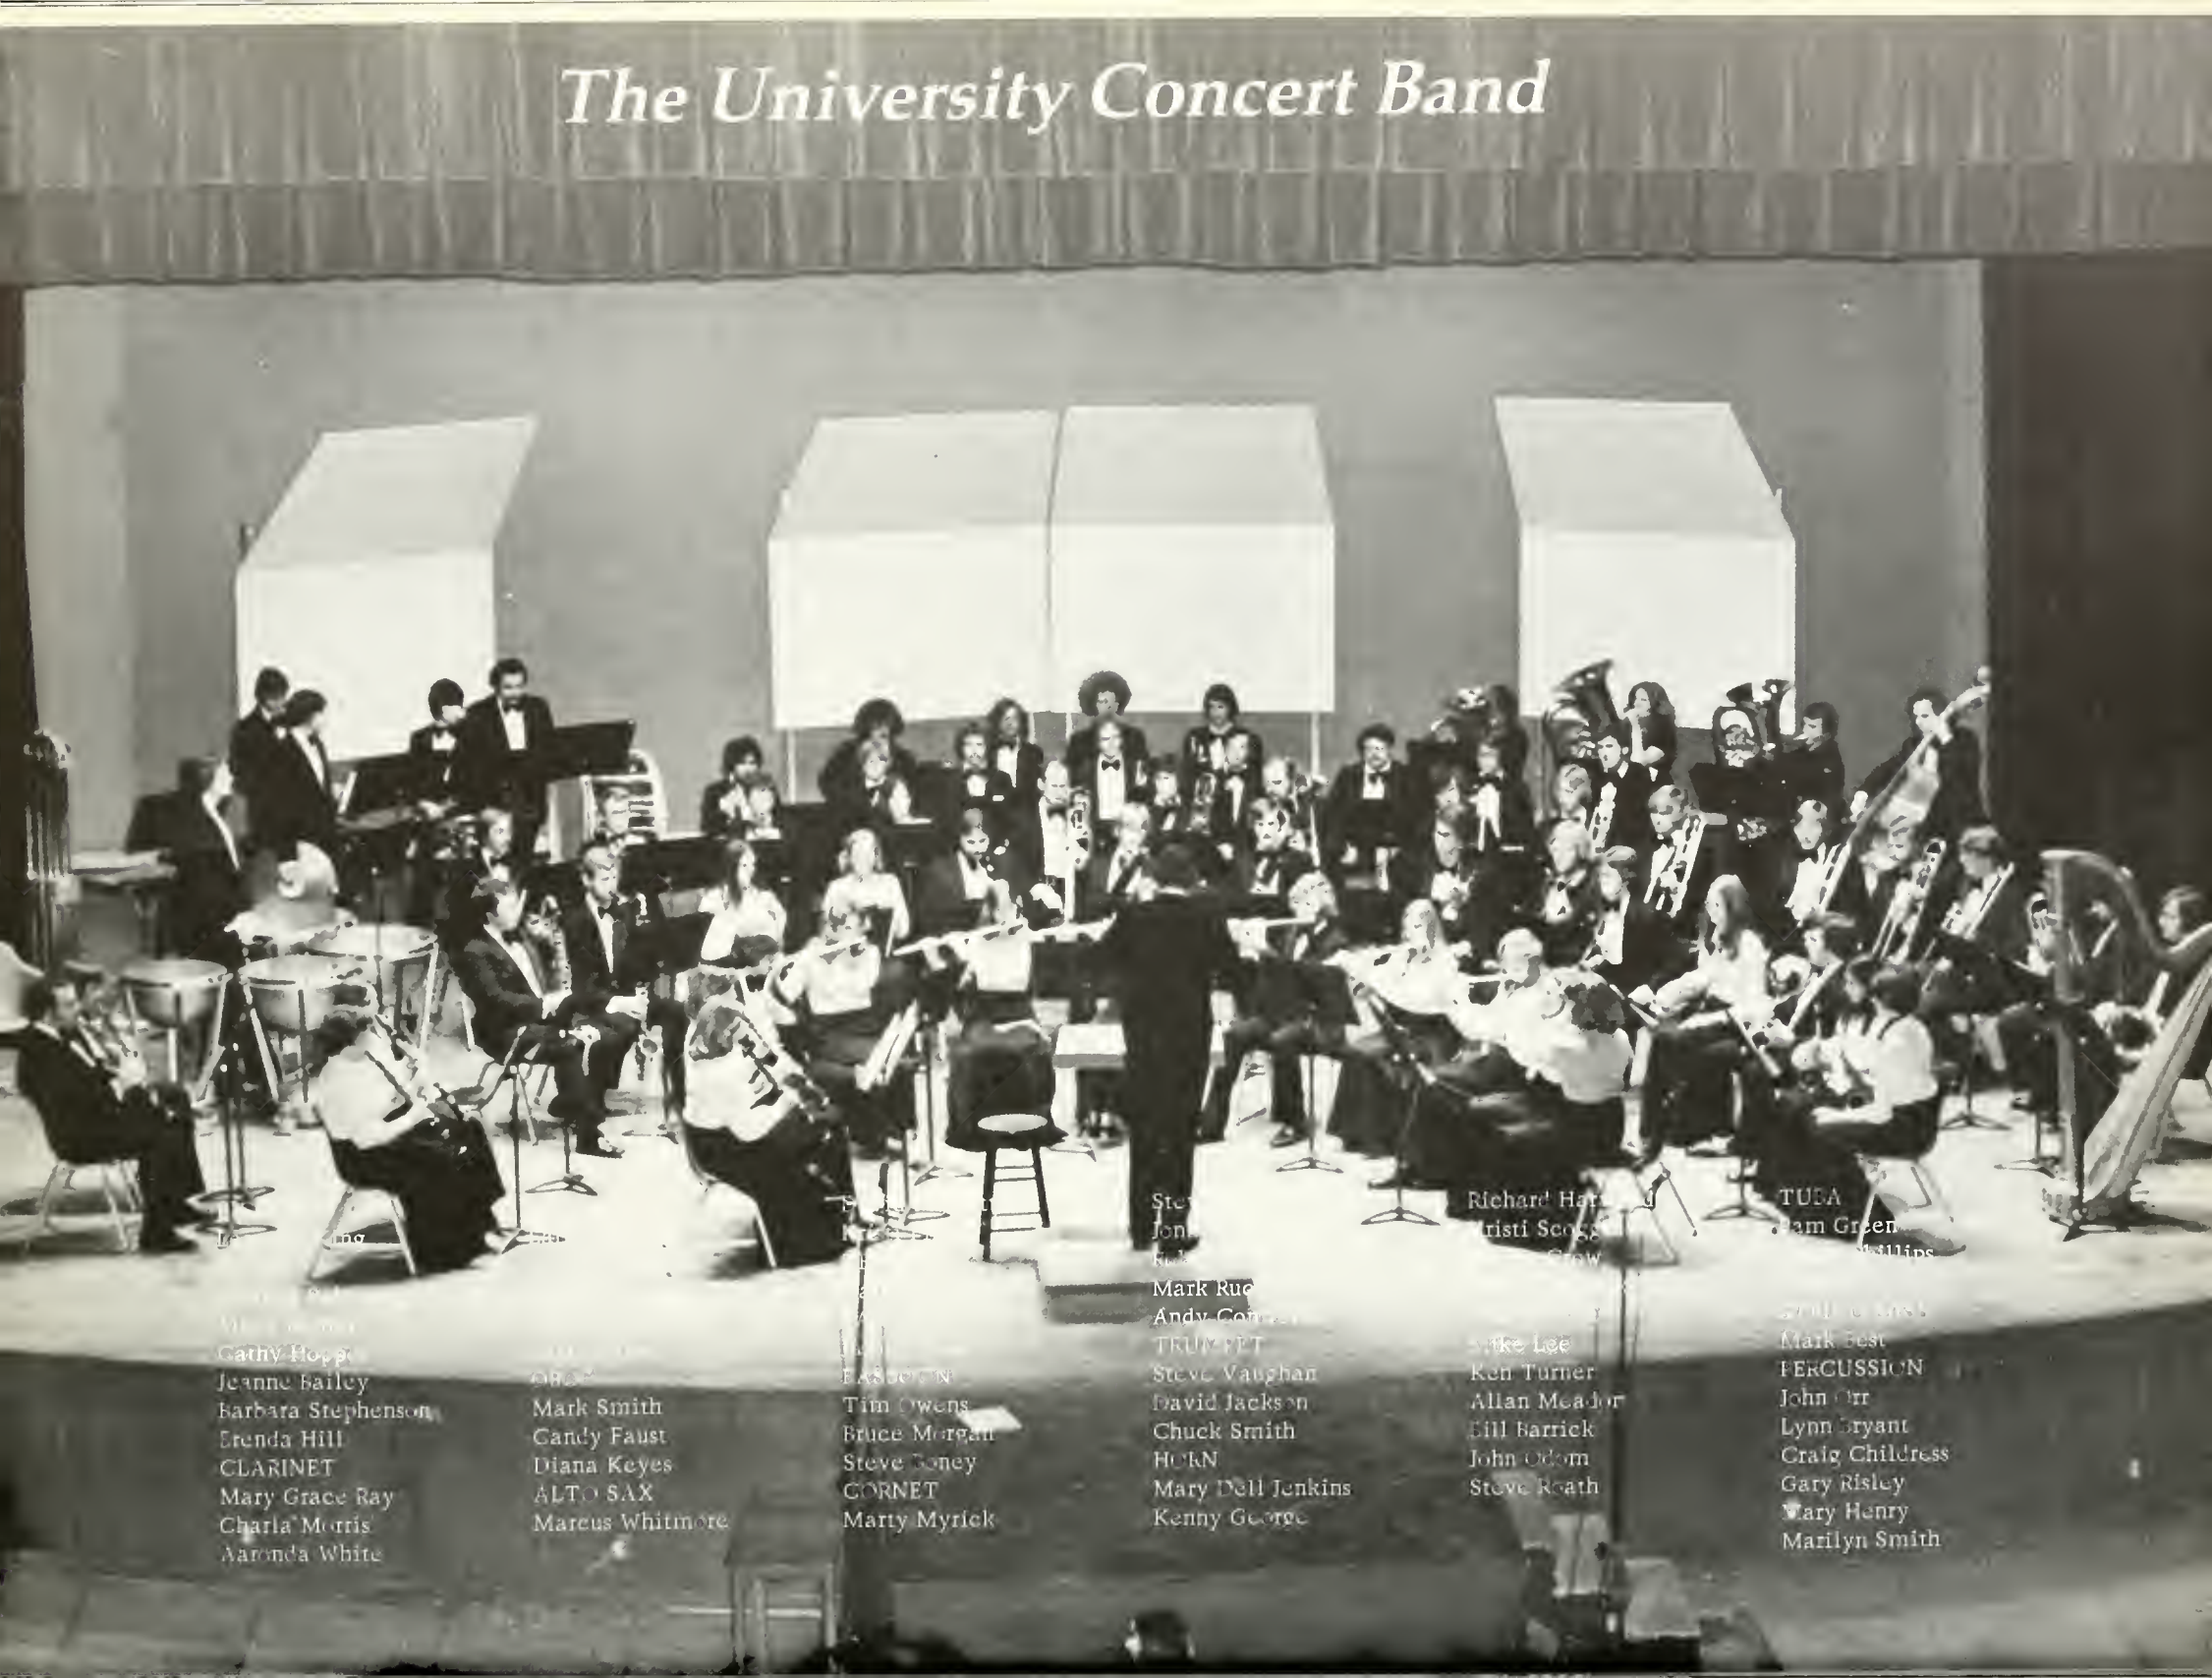

ABOVE: Kristy Jasek, Randy Marr, Nancy Merrell, Tom Lester, and Colleen Hughes.

Madrigals is a select group of singers who are chosen by audition each year. Generally, Madrigal singers are the students with the most outstanding voices in Concert Choir.

This year Madrigals performed for Abilene's Women's Symphonic Guild during the fall and the annual Christmas Concert held in December.

This group is under the direction of Dr. Loyd Hawthorne of the School of Music.

"The Impresario" Is Presented

The cast for the opera workshop's presentation of "The Impresario" by Mozart included Shirley Dunn, Ross Hartsfield, John McAnelly, Chuck Gafford, and Nancy Merrell.

The Opera Workshop presented "The Impresario" by Wolfgang Amadeus Mozart in a two-night performance. The setting was a theatrical office in Vienna during the late 18th century.

The opera was directed and conducted by Carl Best.

The cast included John McAnelly as Herr Frank (the Impresario), Chuck Gafford as Buff (a crafty stage manager), Ross Hartsfield as Herr Eiler (an amorous banker), Nancy Merrell as Madame Silverklang (an aging prima donna), and Shirley Dunn as Miss Sweetsong (an ambitious soubrette).

Marilyn Smith served as technical assistant and Sherry Marshall was rehearsal pianist.

Hardin-Simmons Stage Band

Made up primarily of Cowboy Band members, the nineteen member Stage Band performed at various concerts to provide entertainment and enjoyment.

This year the Stage Band played for the pre-show and intermission sections of the All-School Sing. They also entertained guests at the Chamber of Commerce Breakfast which was held in the fall semester.

Singers Ho! Keep On Singing

The combined talents of singing and choreography brought Singers Ho! an invitation to perform at the Fantasy Faire Stage in Disneyworld. This versatile group will sing and dance their way across any stage and always come up shining.

Performances on campus, at churches, and for civic and military groups prepared the group for their Texas spring tour. The group sings a variety of songs ranging from currently popular pieces, to Broadway and film favorites.

TOP: STANDING - Mitra Barnett, Kathy Thomas, Linda Littlejohn, Annette Bunch, Rick Alkire, Candy Faust. SITTING - Robert Jaggar, Sam Buddin, Leland Mitchell, Robert Peters, Jack Tosh, Kathy Redeker, David Simmons, Robert Beck, and Karren Everett.
ABOVE: Dr. J. G. Martin organized the group in 1967 and Mrs. Marj Baucum of Abilene has worked with them for the past six years in planning choreography.

Sixth Year For Singing Men

Joe Strickland, Tom Pack, Randy Marr, (not pictured) John Ratledge

The Hardin-Simmons University SINGING MEN were organized in 1971 by Tom Pack of the School of Music for the purpose of representing the University at all types of civic, church, social and academic functions.

Since their organization, the group has performed in many states throughout the nation and has made overseas tours to such countries as Japan and Germany. In May of 1975, Tom Pack and the SINGING MEN toured in England, Denmark, France, Germany and Holland.

The SINGING MEN aim toward versatility in planning and preparing their musical repertoire. They present programs of religious and patriotic music, as well as programs of popular and comedy style music.

BELOW: Brad Jennings has a restless night.

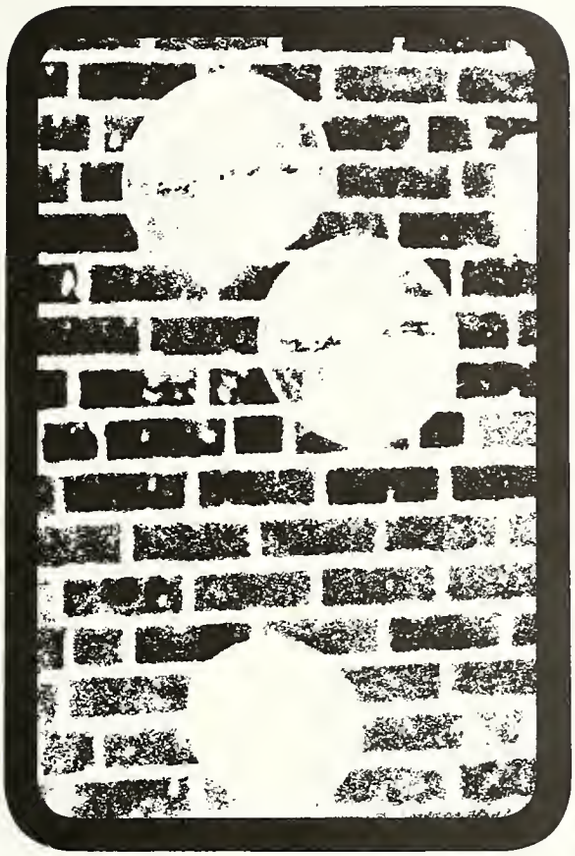

The Air Flow

A constant air flow of students come and go from the university. Bubbles have been chosen to typify this section because they are caught up in the wind's main stream of air flow.

Students are always on the go and seldom have a clear pattern set, but like the perfect circle of a bubble, they know that a pattern will soon be found.

The Wind's Last Whisper

The year is over and every page, picture, and added attraction is ready to be shipped to the publishers. I never dreamed that I would find myself editing this book. It took a lot of non-verbal pressuring, but I'm glad that Mr. McNair and Lori Evans encouraged me to take on the job. There were times that I was very uncertain about editing the Bronco, especially since I'd never worked on an annual before. I must say that I am proud of this book and I do hope that each of you will treasure it as I do.

I could not close out this book without saying thanks to some very deserving people. I would like to thank my staff for doing as much as they could do and performing the way they did. Many had never worked on a yearbook before, but they picked up knowledge as quickly as possible. I want to especially thank Brad Jennings and Dirk Stricklin for staying in the darkroom until the wee hours to finish printing the necessary pictures. I would also like to thank Brent Casey for helping when the going got rough. I would like to thank Chuck Austin's family for allowing me to stay with them when school closed so that I could finish as much of the annual as possible. My biggest thank you goes to Norman Dowdy for being as patient as he was while giving me enough strength to go on.

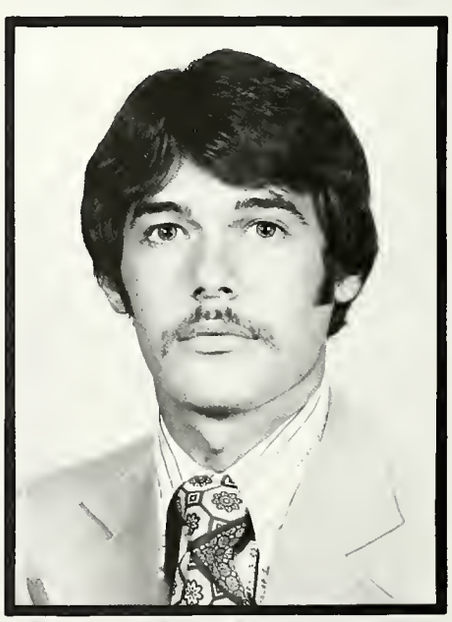

It is with my fondest memories that I wish for each of you the best in life.

In His Name,
Eddie Riojas
